Key features statement

This Key Features Statement follows guidelines set by the Australian Securities & Investments Commission (ASIC). It will help you to decide whether this plan meets your needs and to compare the plan with others.

Important notice: The plan is not a savings plan. If you end the plan at any time, you will not get anything back. Its primary purpose is to pay you a lump sum if you become terminally ill, or die.

Purpose of this insurance

- AMP Firstcare Term Life Insurance is an inexpensive and easy way to protect yourself, your family, business and assets against the financial burden caused by terminal illness or death.
- It offers financial protection to cover debts (eg home loan, personal loan) and future living expenses, 24 hours a day, anywhere in the world.
- The plan is designed for clients (and their spouses) aged 24 to 54. The maximum cover you can apply for is \$300,000.
- No medical examination is required to apply.
- The plan will pay a lump sum benefit in the event you die or suffer a terminal illness up until age 84 and are diagnosed with having less than 12 months to live.
- As long as you pay the premiums, we guarantee to renew your plan until age 84 even if your health or pastimes change.

Note: If you apply for this plan, there are many other benefits that you can apply for subsequently, if you wish to. Those benefits will be fully described in the Plan Rules we will send you. If you decide to apply for these other benefits later, we will give you a Customer Information Brochure which describes them. You may need to fill out a medical questionnaire to apply for these benefits.

Premiums

- You can calculate the cost of your monthly premiums by referring to the 'Premium Calculator' on pages 6–9.
- Our premium rates generally increase as you get older. Because we increase the amount of cover under this plan each year by the CPI, the premium also increases each year.
- We will deduct the premium each month from your bank account or credit card.
- If you don't pay your premium within 30 days of it being due, we will take steps to end the plan.
- Premium rates cannot increase for your plan unless premium rates increase for all plans in your risk group.

Benefits

- **When we pay.** We pay a cash lump sum to your estate if you die. The death cover is provided right up until you turn age 84.
- **In built terminal illness cover.** We pay your death cover if you are diagnosed as having less than 12 months to live. We call this terminal illness cover. It is included automatically and it is designed to help you organise your affairs.
- **Interim Accident Cover.** While your application for AMP Firstcare Term Life Insurance is being considered, we will provide you with interim accident cover.

This benefit is included at no extra cost.

While we are considering your application, if the insured person dies solely as a result of an accidental injury, we will pay the benefit the insured person has applied for, to a maximum of \$300,000.

Interim accident cover will be limited to a maximum of 90 days.

We will only pay this benefit once.

Conditions and limitations apply to this offer. These are fully set out on page 14 & 15.

- **Keeping pace with inflation.** Each year, unless we agreed not to when the cover started, we increase the amount of your cover by any increase in the CPI or 3%, whichever is higher. If you don't want this increase, in full or in part then you need to tell us.
- **When we won't pay.** If you die, or become terminally ill (directly or indirectly), by your own hand within one year and 30 days after the date your death cover starts, or restarts (if it has lapsed).

What are the charges?

All the charges of the plan are fully described in this section. AMP Life will not apply any other charges without your specific consent.

Plan charges

- The monthly plan fee is \$5.98 for the first insured person, and a further \$1.19 for each other person you include in the plan. The fee will increase by the CPI each year.
- The monthly plan fee has already been included in the attached 'Premium Calculator' on pages 6–9.

Taxation

We will keep you informed of any changes that could affect your plan.

Our general understanding of current taxation law as at 1 January 2003 and the way it is interpreted for this cover is:

- the premiums you pay are not tax deductible; and
- the amount we pay you is not usually assessable for income tax or capital gains tax. If, when we pay, you are no longer the plan owner, capital gains tax may have to be paid on amounts we pay.

How the law applies to you depends on your circumstances. The legislation and its interpretation could change in future.

Cooling off period

We want this financial product to meet your needs. But if you no longer want this product, you can return it by contacting us by letter, email or facsimile. You have a limited time to do this. You have 14 days starting on the earlier of:

- the date you receive the Welcome Pack
- 5 days after the date of the Welcome Pack

However, you cannot return the product if you have exercised rights or powers under it.

The amount payable under cooling off will usually be paid as you direct.

Secured by our Australian No.1 Statutory Fund

Your plan is backed by our Australian No.1 Statutory Fund. The market value of the assets of this fund are \$24.1 billion as at 30 September 2002.

Information on your insurance

When your cover begins, we will send you a Certificate and Plan Rules showing full details of your cover. This is your plan. Please read it carefully to make sure the plan suits your needs.

Annual Statement

Each year, we will send you an Annual Statement telling you about your insurance, fees and your premium for the next year. It will also tell you of any material changes to your plan.

Insurance Overview

WHY DO I NEED TERM LIFE INSURANCE?

Few people like to think about fatal accidents, premature death, or serious and terminal illnesses. But they are facts of life. When they occur life insurance comes into its own. That's because life insurance is about one thing - protection. Whether it's protection for you, your partner, your family, or your business, you will have the peace of mind knowing that you are protected.

USES FOR THIS INSURANCE

AMP Firstcare Term Life Insurance can meet a variety of private, family and business needs. In many situations cash is needed so that people can carry on with life.

Consider these questions. If you were terminally ill:

- what would happen to plans to educate my children?
- where would my family get money to live on?

AMP Firstcare Term Life Insurance can help solve the money problems these questions pose.

Firstcare Term Insurance can also meet a variety of business needs, such as Guaranteeing Loans and Business Continuation arrangements.

Interim accident cover

While your application is being considered, we will provide **you** with interim **accident** cover. This interim cover is different to the principal insurance being applied for, and is subject to the terms and conditions below.

This cover will commence when we receive **your** completed application form and the first premium payment by AMP. Cover is subject to the premium payment not being dishonoured.

Interim Cover is not available if **you** or the insured person have ever:

- withdrawn an application; or
- applied for a similar type of policy, and had the application declined; or
- **you** are currently applying for similar cover outside of AMP

Interim Cover will cease on the earliest of:

- 90 days from the date this interim cover starts; or
- the date your application is approved, declined, withdrawn; or
- the date we advise of cancellation of **your** Interim Cover.

During consideration of **your** application, we may choose to modify the cover we offer, and adjust the premium if required. If this occurs, Interim Cover will also be adjusted to incorporate the changed terms.

When we won't pay

We will not pay any benefits if the application is one which we would not normally accept under our standard underwriting rules and exclusions.

Also, we will not pay when death is caused by:

- Intentional self-inflicted injury or suicide; or
- any physical condition relating to the insured person's health for which the insured has had any symptoms, or received advice or treatment for, prior to applying for this cover; or
- engaging in any sport, pastime or occupation which would not normally be covered under our standard terms.

Accident refers to bodily injury caused directly and solely by violent, external and visible means and independent of all other causes.

You or **Your** refers to the person(s) applying for insurance.

Firstcare Term Life Insurance
