# Term Life Executive Insurance – Key Features Statement

**This Key Features Statement follows guidelines set down by the Australian Securities and Investments Commission.**

**It will help you to:**

- **Decide whether this product will meet your needs; and**
- **Compare this product with others you may be considering.**

## **Important Notice**

**Citicorp Term Life Executive Insurance is not a savings plan. The primary purpose of this product is to provide a benefit in the event of death, terminal illness or total and permanent disability, if selected. If you terminate this plan at any time, you will not get anything back.**

## **The Plan**

Citicorp Term Life Executive Insurance provides protection for your family or business by paying a lump sum in the event of your death or on diagnosis of a terminal illness. The minimum sum insured available under this plan is \$500,000.

By providing a lump sum benefit, this insurance policy can provide financial protection to assist your family or business to meet debts such as mortgages, leases and overdrafts, and day-to-day expenses, that flow from the loss of your income. Alongside this, you can take out additional cover to insure against extra costs incurred if you became totally and permanently disabled.

Citicorp Term Life Executive Insurance protects you 24 hours a day, anywhere in the world. So long as you pay the required premium and policy fees when due, we guarantee to renew your cover until your annual renewal date after your 99th birthday.

## **Premiums**

The premium you need to pay will depend on your age, sex, the amount of cover and options you require.

Insurance is provided initially for one year, with your first premium payable in advance. Premiums can be paid monthly, half yearly or annually. The date you first join is your commencement date. The anniversary of your commencement date is your annual renewal date. You will be given the opportunity to renew your cover from this date.

If you do renew, the premium payable will be calculated each year based on the amount of cover and your age.

Please refer to page 14 for our current premium rates.

## **Guaranteed Renewal**

Regardless of any deterioration in your health, we guarantee to renew your insurance cover each year, once you have taken out Term Life Executive Insurance with Citicorp. The only condition is that your premiums are paid when they are due.

## **Variable Premium**

Your premium rate is not guaranteed. This means it may vary. If we do vary the premium rates, we will write telling you about the changes, which will only take place on your next annual renewal date. A variation will only be made where it is applied to all Term Life Executive Insurance policies. It will not be limited to individual policies.

## **Premium Discounts**

We offer discounts on your premium rates if you are a non-smoker.

## **Premium Freeze**

Under this option you can "freeze" your premium payments. This means your premiums will not increase. What we do instead, is adjust your cover to compensate for the premium freeze. If you have both Term Life and Total and Permanent Disability insurance, we adjust both covers in equal proportions. This option is not available where it would reduce the sum insured to below \$500,000.

# Term Life Executive Insurance – Key Features Statement

## CPI Adjusted Cover

To counter the effects of inflation on your cover, we will automatically increase your sum insured each year, in line with the Consumer Price Index, unless you elect otherwise.

CPI increases are available each year until your policy expires but are not available where the sum insured is \$10 million or greater.

## Increasing your cover

You can apply to increase your cover at any time. These increases are subject to meeting our financial and medical requirements.

## Payment Options

You can choose to pay your premiums by either one of the following payment methods:

	Cheque	Direct Debit*	Credit Card
Monthly		✓	✓
Half Yearly	✓	✓	✓
Yearly	✓	✓	✓

\*If paying by Direct Debit, your first premium must be paid by cheque or credit card.

Your first yearly or instalment premium is payable in advance. If you choose to pay either monthly or half yearly, you will incur a small administration fee. The details are explained in the section, What are the charges? (See page 3).

## Non-payment of premiums

To maintain your insurance cover you need to pay your premiums within 30 days of the due date. Your policy will be cancelled if you do not pay your premiums within this period.

## Benefits

### Death and Terminal Illness

We will pay your life cover sum insured if you die or are diagnosed as terminally ill, while this insurance cover is current. Citicorp Life will pay the agreed life cover sum insured to the policy owner. If you are both the life insured and the policy owner, on

your death, the life cover sum insured will be paid to your estate or any nominated beneficiaries. If you have been diagnosed as terminally ill, we will pay the agreed life cover sum insured or \$2 million whichever is the lesser. Any remaining amount will be paid on death or on total and permanent disability (if you have selected this option). You will be considered terminally ill under this policy if you are diagnosed as having less than 12 months to live.

### Total and Permanent Disability (TPD) Option

You can choose to extend your cover under this policy by selecting the Total and Permanent Disability (TPD) Option. This option provides you with a payment if sickness or injury prevents you permanently from being able to work. The TPD sum insured you choose must be equal to, or less than, the life cover sum insured you have selected, up to a maximum of \$2,500,000.

### Single Pay TPD option

If you become totally and permanently disabled, we will pay your TPD sum insured. If your selected TPD sum insured is less than your life cover sum insured, your life cover sum insured will be reduced by the amount paid for your total and permanent disability and the remainder will be paid upon your death. Premiums will be reduced to reflect the lower life cover sum insured.

### Double Pay TPD option

For an additional premium, you can select cover for total and permanent disability under our double pay option. Under this option, if you become totally and permanently disabled we will pay your TPD sum insured and then upon your death we will pay your life cover sum insured. The premiums for your life cover sum insured are automatically waived after a payment for TPD, until your death or age 60, whichever comes first.

The Double Pay TPD option ceases on the first annual renewal date after your 65<sup>th</sup> birthday after which time any TPD claim will be assessed under the Total and Permanent Disability Continuation Benefit. (see page 3)

### Definition of Total and Permanent Disability

You will be considered totally and permanently disabled if, after considering medical and other evidence, we find you fit into the first category below or, subject to the category of cover you choose, the second or third category below, before the first annual renewal date after your 65th birthday:

1. You have suffered the loss of either:
  - two limbs\*, or
  - sight of both eyes, or
  - loss of one limb and loss of the sight of one eye.

\* (a limb is defined as being the whole hand or whole foot).

2. **Any Occupation** If you choose this category you must:
  - have become incapacitated for six consecutive months, to such an extent that you are unlikely ever to be able to perform again your usual occupation, or any gainful occupation for which you are reasonably qualified; and
  - provide Citicorp with sufficient proof regarding your incapacity to work.
3. **Own Occupation** If you choose this category you must:
  - have become incapacitated for six consecutive months, to such an extent that you are unlikely ever to be able to perform again your usual occupation;
  - have been engaged in this occupation and not employed in another occupation, at the time of the injury or illness that prevents you from working; and
  - provide Citicorp with sufficient proof regarding your incapacity to work.

The Own Occupation category is only available to White Collar Professionals and those working in a profession requiring tertiary qualifications.

To qualify for an 'own occupation definition' you must be working in a position directly related to your qualifications for at least 12 months prior to a claim. To find out if you fit into this category, you can contact Citicorp Life on 1300 134 669.

If your TPD claim is based on the second or third category of the definition of Total and Permanent Disability the benefit will be the TPD sum insured on the first day of the six (6) consecutive months of absence from employment or occupation.

### **Total and Permanent Disability Continuation Benefit**

If we have not already paid a TPD benefit, on the annual renewal date after your 65th birthday your cover under Total and Permanent Disablement will switch to the following definition.

We will pay your TPD sum insured if before your first annual renewal date after your 99th birthday, because of injury or illness you become permanently unable to perform the basic activities normally undertaken as part of everyday life. This will be evidenced by being unable to undertake any two of the activities listed below;

- Bathing – to shower or bathe
- Dressing – to dress or undress
- Toileting – to use the toilet including getting on and off
- Feeding – to eat and drink
- Mobility – to get out of bed or chair or wheelchair
- Contenance – to control bladder and bowel function

If you can perform the activity on your own by using special equipment you will not be considered unable to perform that activity.

If a TPD benefit is paid, your life cover sum insured (if higher than the TPD sum insured) will be reduced by the amount paid for your total and permanent disability and the remainder will be paid upon your death.

### **Waiver of Premium Option**

This is an alternative to taking out TPD cover. Under the waiver of premium option, when you have been absent from your occupation for six months due to injury or illness, and you meet the definition of total and permanent disability (see pages 2 & 3) we will waive all your future premiums. This benefit will expire on your death in which case your life cover sum insured will be paid or when you reach your first annual renewal date after your 65th birthday, whichever comes first.

### **Guaranteed Benefit Increase Option**

This option allows you to increase your life cover sum insured at specified times, following the occurrence of certain events, without needing to satisfy any additional medical requirements.

This option must be requested either at the time you apply for your cover, or within 30 days of the commencement of your policy.

The events are:

- Marriage;
- The birth or adoption of a child;
- Taking out a mortgage or increasing an existing mortgage;
- Increasing your financial interest in the business where you are a partner, a director or some similar principal person in the business;
- your 3rd, 6th, 9th, and 12th policy anniversary dates.

The minimum increase per event is \$25,000.

The maximum increase per event is the lowest of:

- \$80,000; or

- 50% of the original sum insured; or
- the amount of the new mortgage or the increase in your current mortgage (if using special event increase option in relation to the mortgage).

The maximum overall increase allowable in total under the Guaranteed Benefit Increase Option is \$250,000 or the original sum insured, whichever is the lower.

To be eligible for increases under this benefit you must be under age 55 at the time of the event and you must request the increase within 90 days of the actual event occurring.

### **Benefit Payments**

Any benefits payable are paid to the Policy Owner. If a death benefit is payable to the Policy Owner who is also the Life Insured, that benefit will be paid to the nominated beneficiaries or to the Policy Owner's estate if there are none nominated.

### **Maximum Insurable Ages**

We will renew your cover for death, terminal illness or total and permanent disability up to your first annual renewal date after your 99th birthday.

### **Exclusions**

No benefit will be payable under this policy if the life insured commits suicide within the first 13 months of the commencement or reinstatement date.

## **What are the charges?**

**All the charges of the plan are fully described in this section. Citicorp Life undertakes not to apply any other charges without your specific consent.**

There is an annual policy fee of \$50, which covers our administrative costs. If we increase this fee, it will be in line with inflation and will apply from your next annual renewal date.

# Term Life Executive Insurance – Key Features Statement

If you choose to have a second person insured under this policy, only one annual fee will be charged. (See page 10 for details about including a second person).

If you choose to pay your premium monthly, there is a processing fee of 6% per annum. For half yearly payments, the processing fee is 3% per annum.

If we decide to alter any of the fees and charges which apply to this insurance, we will give you at least three months written notice.

## Taxation

Under most circumstances, lump sum payments to individuals are not assessable for income tax purposes, and premiums are not tax deductible. However, premiums may be tax deductible where the insurance is for business purposes.

This information is based on our interpretation of current laws. These laws may change; and as individual circumstances may differ you should seek advice from a suitably qualified professional in relation to your particular circumstances.

GST does not apply to your Term Life Insurance premiums. If Parliament alters the tax law, we reserve the right to increase premiums or charges to reflect any applicable GST.

## Cooling-off period

After you receive your Policy Information Statement, you have 14 days to decide if the insurance really meets your needs. This is known as the cooling-off period.

During this time you may cancel the insurance simply by writing to us and returning the documents. We will then refund the premium, and the administration fee you have paid. There will be no charges.

## Information about your insurance

After we have accepted your application for Term Life Executive Insurance, we will send you a Policy Information Statement containing information about your policy and the options you have selected. The Policy Document which is the Terms and Conditions of this policy is included on page 22. You must read these documents carefully in conjunction with this brochure to ensure you understand the extent of cover and its limitations.

We will also send you a notice each year telling you the amount of your indexed sum insured, and the new premium and annual policy fee you need to pay to maintain this level of cover.

# LifeCare Executive Trauma Insurance – Key Features Statement

**This Key Features Statement follows guidelines set down by the Australian Securities and Investments Commission.**

**It will help you to:**

- **Decide whether this product will meet your needs; and**
- **Compare this product with others you may be considering.**

## Important Notice

**Citicorp LifeCare Executive Trauma Insurance is not a savings plan. The primary purpose of this plan is to provide a benefit in the event of a major trauma event, death, terminal illness or total and permanent disability, if selected. If you terminate this plan at any time, you will not get anything back.**

## The Plan

Citicorp LifeCare Executive Trauma Insurance protects you and your family against the financial hardships that can result from suffering a major illness or a serious accident. We will pay you a lump sum if you suffer one of our listed trauma conditions or procedures. You select the amount of cover to a maximum of \$1,500,000 and this is called the trauma sum insured. The list of Insured Events are outlined on page 6.

You can also extend your cover under this policy by selecting cover to protect you in the event of death, diagnosis of a terminal illness, or total and permanent disability. If any of these events occur, we will pay the agreed sum insured for that particular event.

## Premiums

The premium you need to pay will depend on your age, sex, the amount of cover and options you require.

Citicorp LifeCare Executive Trauma Insurance is provided initially for one year, with your first premium payable in advance. Premiums can be paid monthly, half yearly or annually. The date you first join is your commencement date. The anniversary of your commencement date is your annual renewal date. You will be given the opportunity to renew your cover from this date.

If you do renew, the premium payable will be calculated each year based on the amount of cover and your age.

Please refer to page 18 for our current premium rates.

## Guaranteed Renewal

Regardless of any deterioration in your health, once you have taken out Citicorp LifeCare Executive Trauma Insurance, we guarantee to renew your cover each year. The only condition is that your premiums are paid when they are due.

## Minimum Cover

For Citicorp LifeCare Trauma Executive Insurance, the minimum cover available is \$500,000.

## Variable Premium

Your premium rate is not guaranteed. This means the premium may vary. If we do vary the premium rates, we will write, telling you about the changes, which will only take place on your next annual renewal date. A variation will only be made where it is applied to all LifeCare Executive Trauma Insurance policies. It will not be limited to individual policies.

## Premium Discounts

We offer discounts on your premium rates if you are a non-smoker.

## Premium Freeze

Under this option you can “freeze” your premium payments. This means your premiums will not increase. What we do instead, is adjust the sum insured to compensate for the freeze in your premium. Each year the cover for the benefits you have selected (other than ChildCare, see page 8) will be adjusted to account for the freeze in your premiums. This option is not available if it would reduce the Sum Insured to below \$500,000.

# LifeCare Executive Trauma Insurance – Key Features Statement

## CPI Adjusted Cover

To counter the effects of inflation on your cover, we will automatically increase your sum insured each year (other than for ChildCare, see page 8) in line with the Consumer Price Index until your policy expires, unless you elect otherwise.

CPI increases are available each year until your policy expires but are not available where the trauma sum insured is \$1.5 million, the TPD sum insured is \$2.5 million or the life cover sum insured is \$10 million or more.

## Increasing your cover

You can apply to increase your cover at any time. These increases are subject to meeting our financial and medical requirements.

## Payment Options

You can choose to pay your premiums by either one of the following payment methods:

	Cheque	Direct Debit*	Credit Card
Monthly		✓	✓
Half Yearly	✓	✓	✓
Yearly	✓	✓	✓

\*If paying by Direct Debit, your first premium must be paid by cheque or credit card.

Your first yearly or instalment premium is payable in advance. If you choose to pay either monthly or half yearly, you will incur a small administration fee. The details are explained in the section, What are the charges? (See page 8).

## Non-payment of premiums

To maintain your insurance cover you need to pay your premiums within 30 days of the due date. Your policy will be cancelled if you do not pay your premiums within this period.

## Benefits

If you take out Citicorp LifeCare Executive Trauma Insurance, we will pay the trauma sum insured of your choice, up to a maximum of \$1,500,000 if any of the events listed below occur. You will find the definitions of the "Insured Events" on page 28.

**Note:** No LifeCare trauma benefit will be payable if after diagnosis you are unable to survive for 14 days. A death benefit may be payable if you choose the LifeCare – Term Life Option.

If we pay your trauma sum insured and you do not have cover under the LifeCare – Term Life Option or the LifeCare – Total and Permanent Disability Option then insurance cover will end.

\* No payment will be made for these conditions if the insured event occurs within 3 months of the commencement or reinstatement date of the policy. If one of these insured events occurs after the 3 months period and it is not related to the first occurrence, a benefit will then be paid. This applies to ChildCare cover as well. The 3 month waiting period will not apply where this policy is replacing an existing policy that covered the same events and had been in place for at least 3 months. Note that the 3 month waiting period will only be waived for a sum insured level equal to or less than the sum insured level under the replaced contract for insurance.

‡ To be entitled to a benefit for coronary artery angioplasty you must have a minimum sum insured of \$100,000. Payment under this benefit will be limited to 10% of your sum insured, up to a maximum of \$25,000. Your sum insured under the LifeCare Executive Trauma Insurance will then be reduced by the amount paid for Coronary Artery Angioplasty.

**LifeCare Continuation Benefit – Continuation of Cover under Loss of Independent Existence**

On your annual renewal date after your 70th Birthday, if you have not been paid your trauma sum insured, cover will continue under our LifeCare Continuation Benefit (see definition below), until the annual renewal date after your 99th birthday.

Your sum insured under the LifeCare Continuation Benefit must be equal to or less than your trauma sum insured.

A benefit will be paid under the LifeCare Continuation Benefit Option if, because of injury or illness you become permanently unable to perform (without any assistance from another person) the basic activities normally undertaken as part of everyday life. This will be evidenced by being unable to undertake any two of the activities listed below:

- Bathing – to shower or bathe;
- Dressing – to dress or undress;
- Toileting – to use the toilet including getting on and off;
- Feeding – to eat and drink;
- Mobility – to get out of bed or chair or wheelchair; or
- Continence – to control bladder and bowel function.

Please note: if you can perform the activity on your own by using special equipment you will not be considered unable to perform that activity.

**“LifeCare – Term Life” Option**

The Term Life option can be taken as an extension to your Citicorp LifeCare Executive Trauma Insurance. If the life insured dies, Citicorp Life will pay the agreed sum insured either to you, as the policy owner or your estate or beneficiaries, if nominated.

Included in this option is a Terminal Illness Benefit. This means, if you are diagnosed as being terminally ill (having less than 12 months to live), we will pay the agreed sum insured or \$1 million, whichever is the lesser.

Any remaining amount will be paid on death and your policy will end.

If you are paid a trauma benefit or a TPD benefit and the amount paid is less than your life cover sum insured under the Term Life Option, then the life cover sum insured will be reduced by the amount paid. The premiums for the Term Life Option will be reduced accordingly and any remaining life cover will be paid upon death.

**LifeCare – Total and Permanent Disability Benefit Option**

You also have the choice of extending your cover with Total and Permanent Disability (TPD) Insurance up to a maximum of \$2.5 million. The amount of cover you select can be higher than your trauma cover.

If you become totally and permanently disabled, we will pay the agreed TPD sum insured. If you are paid a trauma benefit or a benefit for terminal illness, and the benefit paid is less than your TPD sum insured, then your TPD sum insured will be reduced by the amount paid and premiums will be recalculated accordingly. Any remaining amount will be paid upon total and permanent disability.

**Definition of Total & Permanent Disability**

You will be considered totally and permanently disabled, if after considering medical and other evidence, we find you fit into the first category or, subject to the category of cover you choose, the second or third category below, before the first annual renewal date after your 65<sup>th</sup> birthday:

1. You have suffered the loss of either:

- two limbs\*; or
- sight of both eyes; or
- loss of one limb and loss of the sight of one eye.

\* (a limb is defined as being the whole hand or whole foot)

2. **Any Occupation** If you choose this category you must:

- have become incapacitated for six consecutive months, to such an extent that you are unlikely ever to be able to perform again your usual occupation, or any gainful occupation for which you are reasonably qualified; and
- provide Citicorp with sufficient proof regarding your incapacity to work.

3. **Own Occupation** If you choose this category you must:

- have become incapacitated for six consecutive months, to such an extent that you are unlikely ever to be able to perform again your usual occupation;
- have been engaged in this occupation and not employed in another occupation, at the time of the injury or illness that prevents you from working; and
- provide Citicorp with sufficient proof regarding your incapacity to work.

The Own Occupation category is only available to White Collar Professionals and those working in a profession requiring tertiary qualifications. To qualify for an 'own occupation definition' you must be working in a position directly related to your qualifications for at least 12 months prior to a claim. To find out if you fit into this category, you may contact Citicorp Life on 1300 134 669.

# LifeCare Executive Trauma Insurance – Key Features Statement

## Buy-Back Option

Available only when combined with LifeCare – Term Life option.

If you survive for 12 months from the date of the:

- Diagnosis of a LifeCare trauma event, or
- Payment of a TPD benefit,

Citicorp gives you the option of renewing your Term Life cover, regardless of your state of health. You can choose to renew your cover for any amount up to your previous level of cover.

The insurance will be renewed using our standard Citicorp Term Life Executive Insurance product, at the then current term life premium rates.

This option ceases on the first annual renewal date after your 65<sup>th</sup> birthday.

## ChildCare Option

ChildCare is an insurance option that allows you to insure your children. If you select the ChildCare option, Citicorp will pay \$50,000 for any insured child who suffers any of the eligible listed events. (See page 6)

A maximum of four children can be covered by each LifeCare policy. Any one child cannot be insured under more than one LifeCare policy.

Term Life and Total and Permanent Disability options are not available for children covered by ChildCare.

The payment of a ChildCare benefit will not affect the existing cover of any remaining insured persons.

## ChildCare Cover ceases

When a child reaches age 16, his or her cover ceases under this option. However, Citicorp guarantees to cover the child for up to \$50,000 under a standard Citicorp LifeCare policy. The child will not be required to undergo any medical assessments (underwriting).

The premium rate applied to the new policy will be our then current LifeCare rates, plus any previously applied loadings.

This cover must be requested and the premium paid within 30 days of the child's turning 16 years of age.

## Bereavement Benefit

If you do not select the LifeCare – Term Life Option, your cover will include a \$5,000 Bereavement Benefit should you die from any cause.

## Benefit Payments

Any benefits payable are paid to the Policy Owner. If a death benefit is payable to the Policy Owner who is also the Life Insured, that benefit will be paid to the nominated beneficiaries or to the Policy Owner's estate if there are none nominated.

## Exclusions

The LifeCare exclusions are limited to trauma events arising out of or in connection with self-inflicted injury or any other event referred to in your policy as a special condition.

If you choose the LifeCare – Term Life Option, there will be no entitlement to a death benefit if the person insured commits suicide within 13 months of the commencement or reinstatement date.

## Maximum Insurable Age

Cover	Not renewed when age below is reached during any annual period of cover
Citicorp LifeCare	99 years*
Death and Terminal Illness	99 years
Total and Permanent Disability	65 years
ChildCare Cover	15 years

\* Cover for the listed Trauma Events expires on the first annual renewal date after your 70th Birthday but continues under the definition for "Loss of Independent Existence" until the annual renewal date after your 99th birthday.

The exclusions for the ChildCare option are identical to the LifeCare exclusions.

## What are the charges?

**All the charges of the plan are fully described in this section. Citicorp Life undertakes not to apply any other charges without your specific consent.**

There is an annual policy fee of \$50, which covers our administrative costs. If we increase this fee, it will be in line with inflation and will apply from your next annual renewal date.

If you choose to have a second person insured under this policy, only one annual fee will be charged.

(See page 10 for details about including a second person).

If you choose to pay your premium monthly, there is a processing fee of 6% per annum. For half yearly payments, the processing fee is 3% per annum.

If we decide to alter any of the fees and charges which apply to this insurance, we will give you at least three months written notice.

## Taxation

Under most circumstances lump sum payments to individuals are not assessable for income tax purposes, and premiums are not tax deductible. However, premiums may be tax deductible where the insurance is for business purposes.

This information is based on our interpretation of current laws. As individual circumstances may differ, you should seek advice from a suitably qualified professional in relation to your particular circumstances.

GST does not apply to your LifeCare Executive Trauma Insurance premiums. If Parliament alters the tax law, we reserve the right to increase premiums or charges to reflect any applicable GST.

## Cooling-off period

After you receive your Policy Information Statement, you have 14 days to decide if the insurance really meets your needs. This is known as the cooling-off period.

During this time you may cancel the insurance simply by writing to us and returning the documents. We will then refund the premium and policy fee you have paid. There will be no charges.

You must read these documents carefully in conjunction with this brochure to ensure you understand the extent of cover and its limitations.

# Term Life Executive Insurance – Your questions answered

## Why Citicorp Term Life Executive Insurance ?

Generally, life insurance is taken to cover your outstanding debts, including your home mortgage. You may also consider taking insurance as a means of providing extra funds which can be invested to provide a sufficient income for your family when you are no longer able to do so because of your death or total and permanent disability.

Life insurance and total and permanent disability cover should not only be limited to the main income earner, home-makers should also be protected. Consider the home-maker's valuable contribution and imagine the cost if these vital functions were to be provided by other sources, particularly when dependant children are involved. At Citicorp, we believe it is important to also protect the home-maker against death and total and permanent disability.

Whilst money can never replace the loss of a loved one, it's comforting to know the people who depend on you will be taken care of financially during this difficult period.

## How does Term Life Executive Insurance fit into my retirement planning?

Your family's ability to cope in a crisis primarily depends on your actions now. If you are still quite young with little superannuation monies or other funds available, Term Life Executive Insurance can be an inexpensive approach to filling the gap in the event of your death or total and permanent disability.

## What about superannuation – Can I add Term Life Executive Insurance to my super fund?

If you have a self managed Superannuation Fund the trustee may take out a Term Life Policy with the option of Total and Permanent Disability cover and have the Superannuation Fund pay the premium. Premiums paid in this manner are deemed as Superannuation contributions and may have the added advantage of attracting tax deductions. The premiums, due to recent legislative changes may attract a surcharge tax. (We recommend you seek expert tax advice to cover your particular situation)

If you do not have a self managed fund, we have the facility for you to become a member of the Citicorp Retirement Fund. Details are contained in a separate brochure titled The Citicorp Retirement Fund. Please contact your agent or Citicorp Life if you wish to find out more.

## How can this insurance assist in my business?

All too often, business partners are not aware of a very simple safety net, Term Life Executive Insurance ... Citicorp Life offers Business partners the opportunity to insure each other, so that in the event of death or permanent disability, the remaining partners can afford to look after expenses and perhaps purchase their partner's share of the business.

## What is "Key Person" cover and can the Citicorp Term Life policy offer me this type of cover?

Key Person cover is a term adopted to describe the type of insurance that businesses may purchase on the lives of those they consider to be "key" to the organisation's success. In the event of their death or total and permanent disability, the business has the security of knowing they will have enough funds to be able to take the time to find a suitable replacement or at least utilise the funds as compensation for the loss of revenue previously derived from that key person. Citicorp's Term Life policy may be utilised as a "Key Person" policy. The taxation treatment of premiums paid and amounts received will vary depending upon the purpose of the business in taking out such a policy.

## What are the Guaranteed Premium Rates? Why would I choose them?

Most Life Companies only offer variable Term Life rates. However, Citicorp Life offers you the choice of both Guaranteed Rates and Variable Rates. Guaranteed Rates allow you to lock into pre-determined premium rates, so you have the convenience of knowing what you will be paying for insurance in 5, 10 or 20 years time. Irrespective of which type of rate you choose, as this policy is annually renewable, Citicorp guarantees to renew your Term Life Executive Insurance regardless of any decline in health.

# LifeCare Executive Trauma Insurance – Your questions answered

## Why Citicorp LifeCare Executive Trauma Insurance?

The happening of a major illness or serious accident can cause considerable emotional and financial hardship, particularly if the principal income earner or homemaker is affected. It is understandable therefore, that today's informed consumer prefers to insure against the high cost of recovery and expenses associated with a major illness or injury, rather than solely for the event of death.

Let's consider the facts – Statistics show that if you are now in your twenties your chances of suffering from a major health problem before you are 65 are as high as one in four...as you get older the likelihood is even greater.

LifeCare allows you the independence of receiving a lump sum to cope with major expenses such as extended hospitalisation, local or overseas travel for specialist care, special equipment, housekeeping etc.

The costs mount daily. That's why LifeCare is essential to your peace of mind.... It pays you a lump sum when you need it most.

## I have private health insurance, do I need LifeCare Executive Trauma Insurance?

These days, people are living longer and with daily advances being achieved in medical science, more people are overcoming major illness and injuries than ever before. The time it takes to recover or adjust can be both long and expensive....even with top private health cover. The health cover may pay your hospital bills but who will look after your Lifestyle? Citicorp's LifeCare will!

## How can LifeCare Executive Trauma Insurance assist in my business?

LifeCare Executive Trauma Insurance can be extended to suit the needs of businesses, both large and small, such as:

- A benefit in an employee remuneration package.
- Business Key Person Insurance for the recovery costs related to replacement, loss of revenue etc.
- Capital protection in funding buy and sell agreements to enable your share of the business to be purchased by your partners.

(The tax deductibility of premiums, and assessability of any receipts will be dependent upon your business and the purpose for which the policy was entered into. You should seek advice from a suitably qualified professional in relation to your particular circumstances.)

# Term Life Executive Insurance – Policy Document

## Important

This Policy Document sets out the cover provided by Citicorp Life Insurance Limited under your Term Life Executive Insurance Plan. It is important that you retain your Policy Information Statement and this Policy Document as together they form the terms and conditions of your Policy.

## Definitions

For the purpose of this Policy “we”, “us” and “our” means Citicorp Life Insurance Limited.

“you” and “your” means the policy owner referred to in the Schedule or the executors, administrators or assigns of the policy owner.

“Life Insured” means the person or persons referred to as such in the Schedule.

“Commencement Date” is the date shown in the Schedule.

“Sum Insured” means the Sum Insured specified in the Schedule in respect of each type of benefit, as indexed (Automatic Increases in Benefit on Renewal) or increased from time to time.

“Consumer Price Index” means the consumer price index (“weighted average of eight capital cities combined”) as published by the Australian Bureau of Statistics or its successor over the twelve month period ending at the end of the last reported quarter. If the index is not published the increase shall be calculated from such other retail price index as we consider appropriate.

“Terminal Illness” means a sickness, disease or disorder which (based on the conclusive diagnosis/prognosis of a medical practitioner specialising in the type of illness from which the Life Insured is suffering) is reasonably expected to reduce the life expectancy of the Life Insured to less than twelve (12) months.

## Extent of Cover

Provided that you have paid the premium referred to in the Schedule, we will pay the benefits provided for under this policy on the happening of any event for which cover is being provided as set out in the Schedule. Cover for Death Benefits will automatically provide you with cover for Terminal Illness Benefits. (except where the policy is held for Superannuation purposes)

The payment of any claim is subject to us receiving proof to our satisfaction as to the happening of any such event and as to the entitlement of any person or persons claiming under the Policy.

## Disclosure of Information

This Policy is issued on the basis of the information disclosed to us in the application form, as well as in the personal statements and declarations made by you and the Life Insured.

## “Cooling Off” Period

After we have accepted your application for Term Life Executive Insurance, we will send you a Policy Information Statement containing information about your policy and the options you have selected under this policy.

Please check this Policy Document and the Policy Information Statement (including the Schedule) carefully to ensure that it meets with your requirements. If you are not satisfied, you may return it to us within fourteen days from the date of receipt and we will cancel the Policy as and from its inception and refund in full any premiums you have paid. Where the Policy is held for superannuation purposes the amount repayable may be reduced by any applicable taxes, levies, duties or charges.

## Period of Cover

The period of cover shall begin on the Commencement Date and shall be for a period of one year only. Subject to the age limitations contained in this Policy, we shall renew cover for further periods of one year each upon receiving your request to do so accompanied by the annual premium or the first instalment of premium prior to the expiry of each period of one year. A period of thirty days grace shall be allowed for payment of premium and during this period the Policy shall remain in force.

## Premiums

The first annual premium or the first instalment premium shown in the Schedule is due and payable in advance and calculated from the Commencement Date. Further premiums payable on renewal will be calculated in accordance with our then current rates of premium or with the “Guaranteed Premium Table of Rates”.

The rates applicable to the policy shall be stated in the Schedule.

## Variable Premium Rates

Under our variable premium rates, we may vary our premium rates upon giving thirty (30) days written notice to you at any time. This is provided that any variation shall be effective only from the next anniversary of the Commencement Date and that any such variation shall only be made if we vary the premium rates under all policies of insurance then issued by us providing cover of a similar kind to this Policy.

## OR

## Premium Freeze Option

Where this option has been chosen, premiums payable in respect of future annual periods of cover will remain at the level that applied during the annual period of cover current at the time the premium freeze option was requested. The Sum Insured will be adjusted each year as required in order to compensate for the premium freeze. Where this Policy provides for Death and Total and Permanent Disability benefits, the respective Sum Insureds shall be adjusted in equal proportions. The sum insured is not permitted to be reduced below \$500,000 as a result of the effect of this option.

## Unpaid Premiums

Where any premium has not been paid within thirty days of the due date, then all cover provided under this Policy will lapse. We may at our discretion reinstate the unexpired period of the Policy and renew the Policy within one year from the date of lapse upon receipt of an application for reinstatement and such other information that we may require (including proof to our satisfaction as to the Life Insured's continued good health and eligibility for cover) and upon payment by you of the overdue premium.

## Surrender Values

No surrender value is acquired under this Policy. This Policy is issued from our No. 1 Statutory Fund.

## Death By Own Hand/Suicide

This Policy shall be null and void, and all premiums paid forfeited to us if the Life Insured dies by their own hand or commits suicide, whether sane or insane, within thirteen months from the Commencement Date or within thirteen months after the date of our acceptance of any reinstatement. Where there has been an increase in the Sum Insured (other than by indexation) and the Life Insured dies by their own hand or commits suicide whether sane or insane within thirteen months of any such increase, then the benefit payable is that which would otherwise have been payable if that increase had not occurred.

## Admission of Age

Upon satisfactory proof of the date of the Life Insured's birth, that age will be admitted on the Policy, otherwise proof will be required prior to the payment of any benefits.

## Age Limitation

No cover will be provided whether by way of renewal or reinstatement after the Life Insured's 99th birthday or such earlier age as noted in the Schedule during any annual period of cover.

## Alteration to Policy

No alteration to this Policy shall be binding on us unless it has been agreed to in writing by a principal officer or other authorised person.

## Multiple Lives

If this Policy insures multiple lives, its terms shall apply to each Life Insured separately. Accordingly:

- the benefits provided for under this Policy will be payable in relation to each Life Insured;
- the payment of a benefit in respect of one Life Insured will not affect any right to obtain a benefit in respect of any other Life Insured; and
- a reference to a Life Insured in respect of a benefit or a claim shall be a reference to the Life Insured who is covered for that benefit, who is the subject of the claim in question or who has suffered from the insured event (as applicable).

## Annual Policy Fee

The Annual Policy Fee as shown on the Schedule is payable each year in addition to the premium. We reserve the right to increase this fee each year, but not so as to exceed the increase in the Consumer Price Index since the last increase was applied.

## Benefits

### Death Benefit

If the Life Insured dies during any annual period of cover, we will pay the life cover Sum Insured. Where a Terminal Illness Benefit has been paid or is payable, the Death Benefit will be reduced by the amount of the Terminal Illness Benefit and the remainder will be paid upon death. Where a Death Benefit is paid it will discharge all our obligations under this Policy and no further benefits or any kind shall be payable.

### Terminal Illness Benefit

If the Life Insured is diagnosed during any annual period of cover as having a Terminal Illness, then we will pay the life cover Sum Insured or \$2,000,000, whichever is the lesser. The life cover Sum Insured will then be reduced by the amount paid for terminal illness and provided premiums continue to be paid for the reduced life cover sum insured, any remaining amount will be paid upon death of the life insured. Subject to the availability of a Total and Permanent Disability Benefit under the Double Benefit extension, where a Terminal Illness Benefit equal to the life cover Sum Insured has been paid it will discharge all our obligations under this Policy and no further benefits of any kind shall be payable.

If this policy is held by the trustee of a Superannuation Fund for Superannuation purposes and the life cover sum insured is paid for the diagnosis of a terminal illness, it is important to note that the trustee must ensure that certain legislative requirements are met before a benefit for terminal illness can be released from a Superannuation fund.

## Automatic Increase in Benefit on Renewal

On each annual renewal date and provided the Sum Insured is not \$10 million or greater, we will automatically increase the Sum Insured for each respective benefit by reference to the amount of increase (if any) in the Consumer Price Index. You may by notice in writing given to us require that no such increase in the Sum Insured should be made for that period of cover.

## Guaranteed Benefit Increase Option

Where this option has been chosen, and the life insured is under 55 years of age, you may increase the life cover Sum Insured on the following events without the need for further medical evidence:

- Marriage (we will require a copy of the marriage certificate),
- The birth or adoption of a child (we will require a copy of the birth or adoption certificate, whichever applicable),
- Taking out a mortgage or increasing an existing mortgage (we will require a copy of the mortgage and loan documents),
- Increasing your financial interest in the business where you are a partner, a director or some similar principal person in the business (evidence to this fact will be required), and
- On the 3rd, 6th, 9th and 12th anniversary of the commencement date of the policy.

The minimum increase per event is \$25,000.

The maximum Increase per event is the lowest of:

- \$80,000; or
- 50% of the original sum insured; or
- the amount of the new mortgage or the increase in your current mortgage (if using special event increase option in relation to the mortgage).

The maximum overall increase allowable in total under the Guaranteed Benefit increase option is \$250,000 or the original sum insured, whichever is the lower.

This option does not apply to the Sum Insured for Total and Permanent Disability.

# Term Life Executive Insurance – Policy Document

Should you wish to exercise this right you must provide us with a request in writing prior to the respective anniversary date. Upon receipt of your request the increase will be automatically given. There is no obligation to request an increase to the Sum Insured at these times.

Requests to increase the Sum Insured beyond these amounts, or requests made at any other time, are subject to acceptance by us.

## Claims and Claims Procedures

Written notice of any claim must be forwarded to us at the office at which the Policy is issued as soon as possible after the happening of the event giving rise to the claim. A claim form will be sent to you and no claim shall be payable unless it has been properly completed. No claim will be paid unless we receive written notice within two years of any entitlement to claim arising.

You must co-operate with us in allowing us to obtain any certificates or evidence reasonably required by us as to any claim made under this Policy and we shall be entitled at our own expense to require the Life Insured to undergo such examinations by a medical practitioner appointed by us or to have a post mortem examination carried out.

## Superannuation

Where this Policy is held for Superannuation purposes, both we and the Trustee are entitled to vary (without prior notice) any terms of this Policy:

- (a) to comply with any requirements of; or
- (b) as a result of a change to,

any Relevant Laws (or their interpretation) or the Policies and Rulings of the Commissioner of Taxation, the Australian Securities and Investments Commission or any Statutory Authority.

Where we are required by Relevant Laws to pay any taxes, levies, duties or charges to the Commissioner of Taxation or any other Government Authority in relation to your premium contribution, we are entitled at our discretion to deduct this amount from any premiums paid by you or from any benefits payable by us. Alternatively we may obtain payment from you separately.

## Extensions

### Total and Permanent Disability Extension – Single Benefit

If the Life Insured suffers from Total and Permanent Disability (as defined hereunder) while Total and Permanent Disability cover under this policy is current, we will pay the TPD Sum Insured. If a benefit is paid for Total and Permanent Disability and the TPD sum insured is less than the life cover sum insured, the life cover sum insured will be reduced by the amount paid for TPD. The policy will continue with reduced cover for death and terminal illness and premiums will be recalculated accordingly.

Where a Terminal Illness Benefit has been paid or is payable, the Total and Permanent Disability Benefit will be reduced by the amount of the Terminal Illness Benefit. Where a Total and Permanent Disability Benefit is paid and it is equal to the life cover Sum Insured, it will discharge all our obligations under this Policy and no further benefits of any kind shall be payable.

Total and Permanent Disability is:

- (1) suffering the loss of use of two limbs or the total and permanent loss of sight of both eyes or the loss of use of one limb and the total and permanent loss of sight of one eye (where limb is defined as the whole hand or the whole foot), or
- (2) having been absent from employment or occupation through injury or illness for a period of six consecutive months and having become in our opinion, after consideration of medical evidence, incapacitated to such an extent as to render the Life Insured unlikely:
  - (i) (own occupation definition) to ever resume their usual occupation (No benefits will be payable where the Life Insured is otherwise gainfully employed and "usual occupation" is a reference to the type of occupation the Life Insured usually attends at the time of the injury or illness); or

- (ii) (any occupation definition) to ever resume their usual occupation or to attend to any other gainful profession, trade or occupation for which the Life Insured is reasonably qualified by reason of their education, training or experience.

The Option applying to the Life Insured shall be stated in the Schedule.

Where Total and Permanent Disability arises under item (2) of the definition of the term "Total and Permanent Disability" the benefit which will be paid will be the amount which is equal to the Sum Insured on the first day of the six (6) consecutive months of absence from employment or occupation.

### Total and Permanent Disability Extension – Double Benefit

If the Life Insured suffers from Total and Permanent Disability while Total and Permanent Disability cover under this policy is current, we will pay the TPD Sum Insured.

Notwithstanding that a Terminal Illness Benefit may have been paid, the Total and Permanent Disability Benefit (as defined hereunder) will remain available under this extension should the Life Insured be so classified prior to death.

Where a Life Insured suffers from Total and Permanent Disability we will waive the payment of future premiums in relation to the other benefits provided for under this Policy. This waiver of premium will terminate upon the cessation of our obligations under this policy or upon the Life Insured reaching the first annual renewal date after their 60th birthday, whichever is the earlier.

The Double Benefit option ceases on the first annual renewal date after the Life Insured's 65<sup>th</sup> birthday after which time any TPD claim will be assessed under the Total and Permanent Disability Continuation Benefit.

**Total and Permanent Disability is:**

- (1) suffering the loss of use of two limbs or the total and permanent loss of sight of both eyes or the loss of use of one limb and the total and permanent loss of sight of one eye (where limb is defined as the whole hand or the whole foot), or
- (2) having been absent from employment or occupation through injury or illness for a period of six consecutive months and having become in our opinion, after consideration of medical evidence, incapacitated to such an extent as to render the Life Insured unlikely:
  - (i) **(own occupation definition)** to ever resume their usual occupation (No benefits will be payable where the Life Insured is otherwise gainfully employed and "usual occupation" is a reference to the type of occupation the Life Insured usually attends at the time of the injury or illness); or
  - (ii) **(any occupation definition)** to ever resume their usual occupation or to attend to any other gainful profession, trade or occupation for which the Life Insured is reasonably qualified by reason of their education, training or experience, or

The Option applying to the Life Insured shall be stated in the Schedule.

Where Total and Permanent Disability arises under item (2) of the definition of the term "Total and Permanent Disability" (see below), the benefit which will be paid will be the amount which is equal to the Sum Insured on the first day of the six (6) consecutive months of absence from employment or occupation.

**Total and Permanent Disability Continuation Benefit**

Provided you have cover under the Total and Permanent Disability option of this policy and we have not already paid a TPD benefit, when you reach your annual renewal date after your 65th birthday, cover for total and permanent disability will continue, with the following definition.

We will pay your TPD sum insured if before your annual renewal date after your 99th birthday, because of injury or illness you become permanently unable to perform the basic activities normally undertaken as part of everyday life. This will be evidenced by being unable to undertake any two of the activities listed below:

- Bathing – to shower or bathe
- Dressing – to dress or undress
- Toileting – to use the toilet including getting on and off
- Feeding – to eat and drink
- Mobility – to get out of bed or chair or wheelchair
- Continence – to control bladder and bowel function

(Please note: If you can perform the activity on your own by using special equipment you will not be considered unable to perform that activity.)

If a TPD benefit is paid, your life cover sum insured (if higher than the TPD sum insured) will be reduced by the amount paid for your total and permanent disability and the remainder will be paid upon your death.

**Waiver of Premium Extension**

We will waive the payment of any future premiums if the Life Insured has been unable to attend to any employment, trade or occupation through injury or illness for a period of six months. The waiver shall continue for so long as the Life Insured is unable to perform the duties of their usual employment, trade or occupation or any other employment, trade or occupation for which the Life Insured is reasonably qualified by reason of their education, training or experience. The waiver of premium will terminate upon cessation of our obligations under this Policy or upon the first annual renewal date after Life Insured's 65th birthday whichever is the earlier. This extension is not available and does not apply where any Total and Permanent Disability extension has been selected by you.

In order to be entitled to the waiver of premium you will need to provide us with supporting medical evidence that is acceptable to us.

**Variation of Premiums**

We may amend the amount of premium payable for any extension upon giving thirty days written notice to you at any time. This is provided that any amendment shall be effective only from the next anniversary of the Commencement Date and that any such variation shall only be made if we vary the premium rates payable under all insurance then issued by us providing cover of a similar kind to the applicable extension.

# LifeCare Executive Trauma Insurance – Policy Document

## Terminal Illness Benefit

If while this Policy is in force the Life Insured is diagnosed as having a Terminal Illness, then we will pay the Sum Insured or \$1,000,000 whichever is the lesser:

The life cover Sum insured will then be reduced by the amount paid for terminal illness and provided premiums continue to be paid for the reduced life cover sum, any remaining amount will be paid upon death of the life insured.

Where a Terminal Illness Benefit equal to the life cover Sum Insured has been paid it will discharge all our obligations under this Policy in respect of the Life Insured and no further benefits of any kind shall be payable in respect of that person.

Payment of a Terminal Illness Benefit will not affect your obligations to continue making premium payments for the full Sum Insured in relation to all other benefits that cover continues to be provided for by this Policy.

**“Terminal Illness”** means a sickness, disease or disorder which (based on the conclusive diagnosis/prognosis of a medical practitioner specialising in the type of illness from which the Life Insured is suffering) is reasonably expected to reduce the life expectancy of the Life Insured to less than twelve (12) months.

No Death Benefit shall be payable, this Policy shall terminate and all premiums paid forfeited to us if the Life Insured dies by their own hand or commits suicide, whether sane or insane, within thirteen (13) months from the Commencement Date or within thirteen (13) months after the date of our acceptance of any reinstatement. Where there has been an increase in the Sum Insured (other than by indexation) and the Life Insured dies by their own hand or commits suicide whether sane or insane within thirteen (13) months of any such increase, then the benefit payable is that which would otherwise have been payable if that increase had not occurred.

## Age Limitation

No Life Insurance cover will be provided whether by way of renewal or reinstatement and no Death or Terminal Illness Benefit will be payable in respect of an entitlement to a claim that has not already accrued, if the Life Insured reaches their first annual renewal date after their 99th birthday during any annual period of cover.

## Total and Permanent Disability Extension

### Total and Permanent Disability Benefit

If while this Policy is in force the Life Insured suffers from Total and Permanent Disability, we will pay the Sum Insured.

Where a Terminal Illness Benefit has been paid or is payable, the Total and Permanent Disability Benefit will be reduced by the amount of the Terminal Illness Benefit. Subject to the Life Insured Buy-Back option (where applicable), where a Total and Permanent Disability Benefit is paid and it is equal to any the trauma sum insured or the life cover sum insured under the policy, it will discharge all our obligations in respect of the Life Insured and no further benefits of any kind shall be payable in respect of that person.

### Definition – “Total and Permanent Disability” means:

- (1) Suffering the loss of use of two limbs or the total and permanent loss of sight of both eyes or the loss of use of one limb and the total and permanent loss of sight of one eye (where limb is defined as the whole hand or the whole foot), or
- (2) Having been absent from employment or occupation through injury or illness for a period of six (6) consecutive months and having become in our opinion, after consideration of medical evidence, incapacitated to such an extent as to render the Life Insured unlikely:
  - (i) **(own occupation definition)** to ever resume their usual occupation (No benefits will be payable where the Life Insured is otherwise gainfully employed and “usual occupation” is a reference to the type of occupation the Life Insured usually attends at the time of the injury or illness); or
  - (ii) **(any occupation definition)** to ever resume their usual occupation or to attend to any other gainful profession, trade or occupation for which the Life Insured is reasonably qualified by reason of their education, training or experience.

The option applying to the Life Insured shall be stated in the Schedule.

Where Total and Permanent Disability arises under item (2) of the definition of the term “Total and Permanent Disability” (see below), the benefit which will be paid will be the amount which is equal to the Sum Insured on the first day of the six (6) consecutive months of absence from employment or occupation.

## Age Limitation

No Total and Permanent Disability cover will be provided by way of renewal or reinstatement and no Total and Permanent Disability Benefit will be payable in respect of an entitlement to a claim that has not already accrued, prior to the final annual renewal after the Life insured's 65th birthday.

The ChildCare Benefit will not be payable where the Child Insured is unable to survive for a period of 14 days after experiencing the event covered under this policy.

A Child Insured cannot be insured under more than one of our LifeCare Policies. As a result no ChildCare Benefit will be payable under this Policy in respect of a Child Insured where any person has previously received a ChildCare Benefit in respect of that Child Insured under any other of our LifeCare policies.

### **ChildCare – General Provisions**

Where a ChildCare Benefit is paid it will discharge all our obligations under this Policy in respect of that Child Insured and no further benefits of any kind shall be payable in respect of that person. However, this Policy shall continue to provide cover in relation to any remaining Child Insureds.

Provided that you continue to pay premiums for the ChildCare Extension, we shall continue to provide cover for Child Insureds notwithstanding that cover under this Policy has ceased in respect of the Life Insured due to the payment of a benefit.

### **Age Limitation**

No ChildCare cover in respect of a Child Insured will be provided whether by way of renewal or reinstatement and no ChildCare Benefit will be payable in respect of any entitlement to a claim that has not already accrued, if the Child Insured will not attain the age of at least 16 or is to attain the age of 16 or greater, during any annual period of cover.

### **ChildCare Continuation Option**

Where ChildCare cover in respect of a Child Insured is terminated due to that Child Insured no longer being eligible for cover as a result of the Age Limitation, the Policy Owner may purchase a new Citicorp LifeCare Policy on the life of that Child Insured without regard to that Child Insured's state of health. - The premium for the new policy must be received within 30 days of the date that cover terminated in respect of that Child Insured;
- The premium rate applying to the new policy will be calculated using our then current LifeCare Rates after taking into account that Child Insured's age and any non-standard premium loading applying to that Child Insured under this Policy;
- The new policy to be issued is to be our then standard LifeCare Policy. The payment of any benefits thereunder will be subject to its terms and conditions.
- Should the Policy Owner not exercise this option, then that Child Insured may in lieu of the Policy Owner, exercise the option and purchase a new Citicorp LifeCare Policy on their own life. The option would be subject to the Child Insured obtaining the written consent of a parent or a person who stands in the place of a parent where they have not reached 16 years of age at the date they exercise the option. This option may be exercised by the Child Insured within 60 days of the date cover terminated in respect of that Child Insured.

## Application Form

This application form is part of the Customer Information Brochure published on 1 September 2000 and expires on 31 August 2001. ### Information

**Before you sign this Application Form, be aware that Citicorp Life Insurance or your adviser is obliged to have provided you with a Customer Information Brochure containing a summary of the important information in relation to the product or products you are applying for. This information will help you to understand the product and to decide whether the product is appropriate to your needs.**

#### Section Guide

The guide on the right hand side of each page is designed to help you successfully fill out this application form.

### Duty of Disclosure

#### INSURANCE CONTRACTS ACT, 1984

##### Your Duty of Disclosure

Before you enter into a contract of Life Insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984, to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to the insurer before you vary or reinstate a contract of life insurance.

Your Duty however does not require disclosure of a matter –

- that diminishes the risk to be undertaken by the insurer;
- that is of common knowledge;
- that your insurer knows or, in the ordinary course of business, ought to know;
- as to which compliance with your duty is waived by the insurer.

##### Non-disclosure

If you fail to comply with your duty of disclosure and the insurer would not have entered into the contract on any terms if the failure had not occurred, the insurer may avoid the contract within 3 years of entering into it. If your non-disclosure is fraudulent, the insurer may avoid the contract at any time.

An insurer who is entitled to avoid a contract of life insurance may, within 3 years of entering into it, elect not to avoid it but to reduce the sum that you have been insured for in accordance with a formula that takes into account the premium that would have been payable if you had disclosed all relevant matters to the insurer.

**Please note that your Duty of Disclosure continues until a Policy has been issued.**
