Easylife Insurance

Key Features Statement

This Key Features Statement follows guidelines set down by the Australian Securities and Investments Commission.

It will help you to:

- decide whether this product will meet your needs; and
- compare this product with others you may be considering.

Important notice

This product is not a savings plan. The purpose of this policy is to provide money in the event of terminal illness or death. If you terminate your policy at any time, you will not get anything back.

In this brochure “you” refers to the owner and life insured of the policy and “we” to NRMA Life Limited.

Easylife Insurance

Everyone needs to consider some type of life insurance at various times during their life. The difficult part is recognising when you need it, and finding the time to do something about it.

That's why we developed Easylife Insurance. It's a simple, convenient and affordable form of life insurance. And it can ensure financial relief for your loved ones by ensuring debts like home loans, car loans and credit cards could be paid in the event of your death.

We have tailored the policy to meet the needs of our customers, with features like an early payout if you are diagnosed with a terminal illness and double payout should you die as a result of a motor vehicle accident.

You can choose the level of cover that suits your budget, and you choose if you want to pay your premium annually or monthly. If you pay annually, you will save money, as you will get 12 months cover for the cost of 11.

It's easy to apply - provided you are an Australian resident aged between 16 and 50 inclusive, both you and your partner can apply using the application form in this brochure, and no medicals are required in most cases. Provided you pay your premiums when due, we guarantee to renew your policy until age 70.

With Easylife Insurance, peace of mind has never been so easy.

Premiums

Your premium is based on your insured benefit, age, sex, and whether or not you smoke. Premiums are calculated in five year age bands, as shown in the table on page 6. If you choose to pay your premium annually, it is 11 times the monthly premium shown.

Your premium will increase:

- if you increase your insured benefit;
- when you move from one age band to the next; or
- if we amend the premium rates.

We will only amend the premium rates if the change applies to all policyholders under this series of Easylife Insurance policies. In other words, no policyholder can be singled out for any rate increase, regardless of any changes in health or personal circumstances. If government taxes or charges are increased or imposed, we may pass them on to you.

Premiums are payable annually by cash, cheque or credit card, or monthly by direct debit from your bank account or credit card (your financial institution may impose a small fee in respect of such transactions - you should check with them).

Premiums must be paid to avoid the policy being cancelled.

Benefits

You can choose your insured benefit from the four options shown on page 6.

The insured benefit is payable if you die while the policy is in force. Payment of the benefit is advanced on terminal illness if this is diagnosed at least one year before the policy expires.

Terminal illness means that a medical practitioner we select conclusively diagnoses you as having a life expectancy of six months or less.

If death occurs as a result of a motor vehicle accident, an additional benefit equal to your insured benefit will also be paid. See page 8 for more details about this benefit.

Exclusions

To keep premiums reasonable, some exclusions do apply. These are explained on page 9.

Taxation

Usually premiums are not tax deductible and benefits are paid free of personal tax. This is a general statement based on present laws, their continuation and our interpretation.

Cooling Off Period

If you decide that your policy does not meet your needs for any reason, you can cancel it by notifying us in writing within 14 days of receiving your policy document. This is known as the 'cooling-off' period. We will refund any premiums you have paid.

You will not be able to cancel your policy under the 'cooling off period' provision if you have exercised any rights under it, for example, you have made a claim under your policy.

Policy Information

If we accept your application a policy document and a policy certificate will be issued to you. The information contained in these documents is important and should be read carefully. If you have any enquiries or complaints concerning your Easylife Insurance policy, please contact us on 132 977. If you are not satisfied with our response or we have not dealt with your complaint within 45 days (or the extended period you approve) you can contact the Financial Industry Complaints Service on (03) 8623 2000 or 1300 780 808, or by writing to: The Manager, Financial Industry Complaints Service, PO Box 579, Market St Post Office, Melbourne VIC 8007.

And if you have a partner (earning income or not) you may want to think about insuring both of you at the same time. This often makes good sense.

We have provided the table above to assist you to calculate an appropriate level of cover. This is a general guide only as it does not take into account your individual objectives, financial situation or needs. Before making a decision on the amount of cover, you may wish to discuss your personal circumstances with a professional adviser.

Answers to other questions you may have

Will I need a medical?

In most cases no. But if we require you to take one, it will be at our expense.

Can I have a different amount of cover?

To keep Easylife Insurance as simple as possible, we have only four choices of cover - \$100,000, \$150,000, \$200,000 and \$250,000. If you require a different amount of cover, please ask us for details of other life insurance policies we can offer.

Can I have trauma or disablement cover?

Easylife Insurance is designed as a simple, affordable policy offering death cover only. If you require cover for trauma or disablement, please ask us for details of other policies we can offer.

What is the meaning of death as a result of a motor vehicle accident?

Death as a result of a motor vehicle accident means:

- you die by violent, external and visible means solely and directly caused by a motor vehicle accident in which you were the driver or passenger of a motor vehicle;
- the motor vehicle accident occurs while the policy is in force; and
- you die within 90 days of the accident and before the policy expiry date.

Motor vehicle means a registered vehicle (including motor bike) which is:

- able to be driven on public roads and motor ways;
- used purely for business and/or personal use; and
- in use for the purpose for which it is registered.

What are the exclusions?

The insured benefit will not be paid if you die or are terminally ill, directly or indirectly as a result of:

- your own act, whether while sane or insane, within 13 months after the start of your policy; or if the Policy is reinstated, the date the policy was last reinstated; or
- Acquired Immune Deficiency Syndrome (AIDS) or any AIDS related condition, or infection with the Human Immunodeficiency Virus (HIV).

If the insured benefit has increased, the amount of the increase will not be paid if you die, or are terminally ill, directly or indirectly as a result of your own act, whether while sane or insane, within 13 months after the date the increase takes effect.

The additional motor vehicle accident benefit will not be paid if the motor vehicle in which you were travelling was:

- being driven by a person who was under the influence of:
 - alcohol; or
 - a drug (other than a prescribed drug taken as directed)
- in our expert's opinion, in an unsafe condition; or
- being used in a race, trial or contest, or for unlawful purposes.

What is my duty of disclosure?

Before you enter into a contract of life insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984, to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms. You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of life insurance.

Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by the insurer;
- that is of common knowledge;
- that your insurer knows of or, in the ordinary course of his business, ought to know;
- as to which compliance with your duty is waived by the insurer.

Non-disclosure

If you fail to comply with your duty of disclosure and the insurer would not have entered into the contract on any terms if the failure had not occurred, the insurer may avoid the contract within 3 years of entering into it. If your non-disclosure is fraudulent, the insurer may avoid the contract at any time. An insurer who is entitled to avoid a contract of life insurance may, within 3 years of entering into it, elect not to avoid it but to reduce the sum that you would have been insured for in accordance with a formula that takes into account the premium that would have been payable if you had disclosed all relevant matters to the insurer.

Protecting your Interests

Interim Cover Certificate- accidental death

While we process your application for NRMA Easylife Insurance we are pleased to provide you (as the life insured) interim accidental death cover at no cost. This cover starts on the date shown below being when we receive your completed Easylife Insurance application form and your first premium payment or a completed Direct Debit Request.

WHEN DO WE PAY THE BENEFIT?

Accidental Death

The benefit payable is the level of cover you applied for in your Easylife Insurance application, and is shown below.

It will be paid as a lump sum benefit on your accidental death, provided the injury causing death occurs whilst this cover applies. The benefit is paid to your estate. There are however some circumstances in which we won't pay a benefit, and these are explained below.

Accidental death means you die as a result of an injury, independently of any other cause, within 90 days of the injury occurring.

Injury means bodily injury which is caused solely and directly by violent, external and accidental means, and is not caused as a result of the life insured's own intentional act.

ARE THERE CIRCUMSTANCES WHERE WE WON'T PAY THE BENEFIT?

Yes. A benefit will not be paid if a benefit is payable under the Easylife Insurance Policy you have applied for. Also, a benefit will not be paid if the injury that caused your accidental death occurred while you were:

- engaged in any unlawful activity;
- participating in competitive sport;
- parachuting;
- flying other than as a fare-paying passenger on a commercial airline; or
- outside Australian territorial boundaries.

WHEN YOUR INTERIM ACCIDENTAL DEATH COVER ENDS

Your interim accidental death cover will end on the earliest of the following:

- 45 days after this cover starts;
- when we accept your Easylife Insurance application;
- the date we specify in a notice to you as the date this cover will end;
- when you withdraw your Easylife Insurance application.
