1. Introduction

The policy document and the application for this insurance, including any declaration and statements relating to this insurance, together with the Product Disclosure Statement and Policy Schedule constitute the entire contract ('the Policy'). The term 'the Policy' includes any endorsements and Rider Benefit conditions applicable. Any variation of this contract must be evidenced in writing bearing the signature of one of Our authorised officials.

The Policy is issued, on the date the Policy Schedule was sent, by AIA Australia Limited ('AIA Australia') to the Policy Owner named on the attached Policy Schedule:

- (i) in consideration of the payment of the premium and stamp duty as stated on the Policy Schedule, and
- (ii) on the basis of the application, declaration and any other statements made by the Policy Owner and the Life Insured to Us in connection with the Policy.

Your Duty of Disclosure

Before You enter into a contract of insurance with an insurer, You have a duty under the Insurance Contracts Act 1984, to disclose to the insurer every matter that You know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to the insurer before You renew, extend, vary or reinstate this contract of insurance.

Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by the insurer;
- that is of common knowledge;
- that your insurer knows or, in the ordinary course of his business, ought to know;
- as to which compliance with your duty is waived by the insurer.

Non-Disclosure

If You fail to comply with Your duty of disclosure and the insurer would not have entered into the contract on any terms if the failure had not occurred, the insurer may avoid the contract within three years of entering into it. If Your non-disclosure is fraudulent, the insurer may avoid the contract at any time from its inception.

An insurer who is entitled to avoid a contract of insurance may, within three years of entering into it, elect not to avoid it but to reduce the Sum Insured in accordance with a formula that takes into account the premium that would have been payable if You had disclosed all relevant matters to the insurer.

2. General Terms and Conditions

2.1 Your Priority Protection Policy

We have issued the Policy in accordance with the contents of Your application and any supporting documents We have obtained. The contract between You and Us is based completely on the accuracy of these documents, and You have a duty to disclose in them any information which is material to the risks We are insuring.

The policy document is evidence of the contract between You and Us. The contract is one of offer and acceptance and commences when Your application has been accepted by Us. If We do not accept Your application but instead make You a counter-offer in relation to this Policy, the contract commences when You accept the counter-offer.

The enclosed Policy Schedule is a summary of the premium and benefit amounts under Your Policy and forms part of the contract.

2.2 Cooling-Off Period

Please read the policy document carefully. If You are not happy that the Policy and benefits meet Your needs You may return the Policy within the 28-day cooling-off period and receive the full refund of all premiums paid.*

The cooling-off period starts from when You received the policy document from Us or from the end of the 5th day after the day on which We sent the policy document to You, whichever is the earlier to occur.

To return the Policy in the cooling-off period, please send Us:

- Your request to cancel the Policy either by letter, fax or email or in any other manner permitted by law; and
- the policy document and Policy Schedule.

*Note: You will lose the right to return Your Policy within the cooling-off period when You first exercise any right or power, other than this right to return Your Policy, which You have under the terms of Your Policy.

2.3 Renewal Statement

Each year You will receive a renewal statement showing the level of Your selected benefits. Any change to the fees and charges and to the taxation treatment of the Policy and any other matter relevant to the Policy over the preceding year will also be shown in the renewal statement.

If there are any material changes to the circumstances described in the Product Disclosure Statement, the policy document or any subsequent communication, You will be notified in the renewal statement following the change. However, any material change related to fees and charges will be notified in writing prior to the change taking effect.

Any change, which is initiated by You, will be confirmed in writing by Us.

2.4 Policy Ownership

Where there is more than one Policy Owner, they hold as joint owners unless otherwise stated on the Policy Schedule.

2.5 Premiums

2.5.1 Payment of Premiums

Premiums must be paid monthly, half-yearly or yearly. Premium payments made more frequently than yearly are subject to a premium frequency charge (see condition 2.6.2). Premiums for a benefit will cease at the Expiry Date of that benefit.

Where this Policy has been issued as a separate policy to cover the non-superannuation benefits purchased under a linked superannuation PLUS benefit the premium frequency under this policy must be the same premium frequency as under the linked Superannuation Life Cover Plan.

2.5.2 If You Stop Paying Premiums

A period of 60 days of grace is allowed for the payment of each premium during which the Policy will remain in force. If You do not pay premiums in full within 60 days from the premium due date the Policy will lapse and its benefits will cease.

2.5.3 Stepped, Level or Optimum Premiums

Premiums for the Policy are payable on a stepped, level or optimum premium basis. All benefits under the Policy must be on the same premium basis unless a benefit is solely offered as stepped or level.

Stepped premium rates generally increase as the Life Insured's age increases. Level premium rates remain constant until the latest Policy Anniversary prior to the Life Insured's 65th birthday or the Expiry Date of the benefit, if earlier. Then the Policy/benefit continues on stepped premium rates until the termination of the Policy/benefit.

The optimum premium basis allows You to pay premiums on a stepped basis which will automatically convert to a level premium basis at a pre-determined date. (The pre-determined date may vary if premium rates change.) Should You select this method of paying premiums then stepped premiums will be payable from the commencement of the Policy, together with a premium loading according to the age of the Life Insured at the commencement of the Policy. At the Policy Anniversary when the stepped premium amount first becomes greater than the level premium amount, the stepped premiums will automatically convert to level premiums. These level premiums are payable until the latest Policy Anniversary prior to the Life Insured's 65th birthday or the Expiry Date of the benefit, if earlier. After that stepped premiums are payable until the termination of the Policy/benefit. You will pay the premium loading until the latest Policy Anniversary prior to the Life Insured's 65th birthday or the Expiry Date of the benefit, if earlier.

You can change the basis of premium payment from level premium to stepped premium by making a written request to Us. You can change from stepped premium to level premium via a cancel and replace. If You have selected either stepped or level premiums You may not convert to optimum premiums or vice versa.

Premiums will change if:

- You request a change in Your Sum Insured or Insured Monthly Benefit;
- You choose to have Your Sum Insured or Insured Monthly Benefit automatically increased each year to keep pace with inflation (see condition 2.17); or
- premium rates are reviewed (see condition 2.5.7).

2.5.4 Accidental Death Benefit

Premiums for this benefit and its Rider Benefit are payable on a level premium basis until the expiry of the benefit. For this benefit, premiums do not change to a stepped premium basis at the latest Policy Anniversary prior to the Life Insured's 65th birthday.

2.5.5 Guarantee of Continuation for Level Premium

This guarantee applies to benefits continuing beyond the latest Policy Anniversary prior to the Life Insured's 65th birthday. When the Policy has remained in force to that date, these benefit(s) will continue on a stepped premium basis until the Expiry Date of the benefit. The stepped premium will reflect the Life Insured's age at each Policy Anniversary, sex and smoking status and the original terms of acceptance of the benefit.

2.5.6 Premium Rating Factors

The premiums You pay depend on the Life Insured's age, sex, smoking status, occupation, pastimes and state of health and on the level of cover and benefit features chosen by You and on any appropriate Government charges.

2.5.7 Premium Rates Guaranteed

The premium rates under all plans under the Policy are guaranteed for at least one year. We guarantee that any increase or reduction in a table of stepped, level or optimum premium rates will not take effect in respect of a benefit until the first anniversary of the policy commencement date or the next Policy Anniversary following the latest increase or reduction in the table of premium rates for that benefit, if later.

Notwithstanding the 1-year premium rates guarantee, Your premium rates (stepped, level or optimum) may be varied from time to time. A table of premium rates is available on request. Different premium rates apply to males and females, to smokers and non-smokers and to different occupations. The premium rates for the Policy allow for the cost of insurance and Our expenses, including commission payable to an adviser.

Premium rates may not be altered individually but only for all policies in a group. Your Policy cannot be singled out for an increase. You will be notified in writing of any change in the premium rates prior to the change taking effect.

2.6 Fees and Charges

All the charges of Your Policy are fully described in this section. We shall not apply any other charges without Your specific consent. We retain the right to vary any fees and charges, at Our discretion, with the exception of the premium rate guarantee. Future Government charges may also vary. Any change, except changes to Government charges, will be advised to You in writing 30 days prior to the change taking effect.

In addition to the premiums for each benefit, We will charge a policy fee and stamp duty (if applicable).

2.6.1 Policy Fee

One policy fee is charged per Life Insured, regardless of the number of plans, benefits or policies purchased under Priority Protection (this does not apply to policies bought before 1 December 2008). This policy fee is in addition to the premiums applicable per benefit and stamp duty. The policy fee is currently \$72 per year. The policy fee is subject to a premium frequency charge (see condition 2.6.2).

The policy fee may be changed at Our discretion. You will be notified in writing of any change in the amount of the policy fee prior to the change taking effect. Your Policy will not be singled out for an increase in fees or charges.

There may also be other charges, such as a lost or destroyed policy replacement charge (see condition 2.6.4).

2.6.2 Premium Frequency Charge

There is no premium frequency charge on yearly premiums. Premiums payable more frequently than yearly (i.e. half-yearly or monthly) are subject to a charge to cover increased costs. This charge is expressed as a percentage of the yearly premium in the following table.

Premium Payment Frequency	Charge as a percentage of Yearly Premium
Half-yearly	5%
Monthly	8%

You will be notified in writing of any change in the amount of this charge prior to the change taking effect.

2.6.3 State or Territory Government Stamp Duty

Stamp duty is a Government charge that varies depending on the State or Territory of residence of the Life Insured. Stamp duty may be payable on this policy by Us in accordance with stamp duty legislation applicable in the State or Territory in which the Life Insured is ordinarily a resident.

For some Rider Benefits the amount of stamp duty payable is included in the premium and is not an additional charge to You. For other benefits, it is not included in the premium and is an additional charge to You. The rates of stamp duty may vary between 1.5% and 11% depending on your State or Territory and the type of benefit you have selected. Your adviser may have provided You with a personalised premium quotation showing the amount of any stamp duty payable as an additional charge to You.

If the amount of the stamp duty payable is changed by a State or Territory the stamp duty charged to You may be changed accordingly (up or down) for future premium payments.

2.6.4 Lost or Destroyed Policy Documentation

If Your policy document is lost or destroyed We will replace it but may charge to recover the costs involved. This charge is currently not greater than \$100 and covers the cost of reissuing the lost document, including advertising the loss – a statutory requirement in some circumstances. We may vary this charge from time to time. We may also require You to sign a statutory declaration to the effect that the policy document has been lost or destroyed.

2.7 Tax or Imposts

Where We are, or believe We will become, liable for any tax or other imposts levied by any Commonwealth, State or Territory Government, authority or body in connection with the Policy, We may reduce, vary or otherwise adjust any amounts (including but not limited to premiums, charges and benefits) under the Policy in the manner and to the extent We determine to be appropriate to take account of the tax or impost.

GST

The premium applicable to this Policy is input taxed for the purposes of the Goods & Services Tax (GST). No GST is payable by You in respect of the purchase of the Policy.

2.8 Term

The Policy runs for 12 months. It may be renewed annually, by payment of the renewal premium within the 60 days of grace, until the Expiry Date shown on the Policy Schedule.

2.9 Guaranteed Renewable

Provided You pay the appropriate premium in full when due, each benefit under the Policy is guaranteed renewable each year to the Expiry Date of that benefit regardless of changes in the Life Insured's health, occupation or pastimes and in the case of the Income Protection Plan and the Business Expenses Plan, whether a claim has been made.

2.10 Lapse and Reinstatement

If You do not pay Your premium within 60 days of the premium due date, Your policy will lapse and Your cover will cease.

If the Policy lapses You may reinstate it with Our consent upon such proof as We may require of the continued good health and eligibility for insurance of the Life Insured and upon payment of the unpaid premium or premiums with compound interest as We determine. After reinstatement, the Policy shall not cover any event the symptoms leading to which were apparent prior to such reinstatement. The Policy may be cancelled by Us in accordance with the provisions of the Life Insurance Act or any relevant legislation.

You may not reinstate this Policy unless any lapsed linked Superannuation Life Cover Plan is also reinstated from the same effective date.

2.11 Cancellation

You are allowed to cancel the Policy at any time. Where premiums have been paid in advance, thus providing cover beyond the date of cancellation, We may refund the unexpired portion of the premium less any cancellation fees and charges to You. Any payment would be subject to Our business rules at the time of cancellation.

Any request to cancel the Policy must be made in writing to Our office and signed by You.

Where this Policy has been issued as a separate policy to cover the non-superannuation benefits purchased under a linked superannuation PLUS benefit and the linked Superannuation Life Cover Plan has been cancelled, this Policy will automatically be cancelled from the same effective date.

2.12 Transfer of Ownership (Assignment)

At any time, You may request a transfer of ownership of the Policy to another person or company (not applicable if the Policy has been issued as a separate policy to cover the non-superannuation benefits purchased under a linked superannuation PLUS or Maximiser benefit). This is achieved by assigning the Policy using the Memorandum of Transfer included in this policy document to the person or company.

You should be aware that by assigning the Policy, You forfeit all rights to benefits payable under the Policy and it may give rise to taxation implications. Assignment will revoke any previous nomination of beneficiary.

No assignment of the Policy or the benefits under it shall bind Us unless and until it has been registered by Us. We take no responsibility as to the validity of any assignment.

Please contact Us if You wish to assign the Policy. We will provide You with all of the relevant information required to do so.

2.13 Nomination of Beneficiaries

You may nominate a beneficiary (person or other legal entity) to receive all death claim benefits under the Policy, subject to the following rules:

- Contingent nominations cannot be made;
- You may change a nominated beneficiary or revoke a previous nomination at any time prior to the occurrence of an event giving rise to a claim;
- The nominated beneficiary will receive any money payable under the Policy. If the nominated beneficiary dies before the occurrence of an event giving rise to a claim under the Policy and no change in nomination has been made, then any money payable will be paid to the nominated beneficiary's legal personal representative;
- If ownership of the Policy is assigned to another person or entity, then any previous nomination is automatically revoked;
- A nominated beneficiary has no rights under the Policy, other than to receive the Policy proceeds after a claim has been admitted by Us. The nominated beneficiary cannot authorise or initiate any policy transaction;
- The nomination, change or removal of a beneficiary must be advised in writing and sent to Us.

2.14 Misstatement of Age

If the age of the Life Insured on issue of the Policy is different from that stated in the application, the sum payable under the Policy shall be reduced to that which would have been payable if the age had been correctly stated on the basis of premiums actually paid.

2.15 Suicide

Death Benefit other than Accidental Death Benefit

Any benefit payable under the Policy in the event of the death of the Life Insured will not be paid if the Life Insured dies as a result of suicide committed within 13 months of the date of:

- commencement of that benefit;
- the last reinstatement of the Policy; or
- the last increase in the Sum Insured or Insured Monthly Benefit for that benefit. An increase in the Sum Insured or Insured Monthly Benefit (other than via Indexation of Benefit) is not

payable if the suicide occurs within 13 months following the date of the increase.

This condition will be waived in respect of any death cover under the Policy provided the Policy is replacing death cover from a previous insurer and the full suicide exclusion period under the in force policy to be replaced has elapsed.

This waiver applies only to the same amount of any death cover being replaced under the Policy.

The suicide condition will apply to any extra death cover in excess of the death cover being replaced and to all subsequent increases in the death cover under the Policy.

In that event, the Policy shall be voidable at Our option and any premiums paid in respect of it shall be forfeited to Us.

However, should any other person have obtained for value a genuine interest in the Policy at least two months before the death of the Life Insured and has notified it to Us in writing, We will pay them:

- an amount equal to the value of their interest; or
- the amount which would have been payable had the Life Insured died otherwise than by suicide; whichever is the lesser.

Accidental Death Benefit

The Accidental Death benefit will not be paid under the Policy if the Life Insured dies as a result of suicide while the benefit is in force.

2.16 Increase in Sum Insured and/or Insured Monthly Benefit

You can increase Your Sum Insured and/or Insured Monthly Benefit each policy year in line with the CPI Increase for that year (see condition 2.17) or You can select a voluntary increase in Your Sum Insured and/or Insured Monthly Benefit. Any voluntary increase will be subject to underwriting and maximum Sum Insured and Insured Monthly Benefit rules.

2.17 Indexation of Benefit

If You so choose in the application, We will offer You each policy year on the Policy Anniversary the opportunity to increase the Sum Insured and/or the Insured Monthly Benefit for each eligible benefit under the Policy by that policy year's percentage increase in the CPI or by 5% whichever is the greater. Any Sum Insured and Insured Monthly Benefit increase for a policy year will be effective from the Policy Anniversary at the start of the policy year. Unless You advise Us otherwise, We will assume that You want the benefit indexation to apply to Your benefits under the Policy for the following policy year.

If You refuse the offer of an indexation increase in one year We will continue to offer You indexation increases in future years. Your benefit indexation will cease at the latest Policy Anniversary prior to the Life Insured's 70th birthday or at the Expiry Date of the benefit, if earlier. Should You want Us to stop offering You indexation increases to Your Sum Insured and/or Insured Monthly Benefit, You must write to Us asking for future indexation increases not to be offered to You.

If You accept Our offer of an indexation increase Your stepped and optimum premium (where applicable) will be adjusted to allow for the higher Sum Insured and/or Insured Monthly Benefit and the age of the Life Insured at that time. Where level premiums are being paid, the age of the Life Insured at the time of the increase is used to calculate the premiums payable on the increase.

Benefit Indexation does not apply to the Life Cover Sum Insured where any or all of the Life Cover Sum Insured has been repurchased under the Crisis Recovery Buy-back benefit or the Total and Permanent Disablement Buy-back benefit, or reinstated under the Double Total and Permanent Disablement benefit or the Double Crisis Recovery benefit.

This option is not available under the Family Protection, Forward Underwriting and Needlestick Injury benefits or where a Premium Freeze is in force.

Automatic indexation increases in the Sum Insured and/or the Insured Monthly Benefit will cease at the latest Policy Anniversary prior to the Life Insured's 70th birthday or at the Expiry Date of the benefit, if earlier.

2.18 Decrease in Sum Insured and/or Insured Monthly Benefit

You can decrease the Sum Insured and/or Insured Monthly Benefit of an eligible benefit at any premium due date providing the reduced Sum Insured, Insured Monthly Benefit or premium are not below the minimums in force at the time of the decrease. Where the Sum Insured and/or Insured Monthly Benefit is decreased, any indexation of benefit will continue based on the reduced Sum Insured and/or Insured Monthly Benefit.

2.19 Claims

2.19.1 Claim Requirements and Conditions

All conditions necessary to entitle a claim to be made must be met during the currency of the Policy.

Written notice containing full particulars of any circumstances in respect of which a claim is to be made must be given to Us as soon as possible. Claim forms can be requested by writing to AIA Australia's Claims Department (visit www.aia.com.au for the most up to date contact details).

Payment of a Sum Insured or monthly benefit will not be made for any period more than one month prior to the giving of such written notice.

All certificates and evidence required by Us will be furnished at Your expense within 30 days of the date of the written notice and will be in the form and of the nature as We may request.

Where premiums have been paid in advance as determined by Us We may refund the unexpired portion of the premium less any charges to You.

2.19.2 Medical Examination

We, at Our discretion, may have the Life Insured medically examined (including blood tests and other tests), when and as often as is reasonable, in connection with a claim.

2.20 Non-Smoker – Incorrect Declaration

'NON-SMOKER' at a point in time, means, not having smoked tobacco or any other substance for a continuous period of 12 months ending at that point in time.

Where it is declared that the Life Insured is a Non-Smoker and We have charged a premium based on such declaration, it is a condition of this insurance that if an incorrect non-smoker declaration has been made, the Sum(s) Insured and/or Insured Monthly Benefit(s) shown on the Policy Schedule will be reduced to the amount(s) which the premium paid would have purchased had a correct declaration been made.

2.21 Statutory Fund

The Policy will be written in the AIA Australia Statutory Fund No. 1 which alone shall be liable under the Policy. The Policy does not participate in bonus distributions.

2.22 Currency

All amounts under the Policy whether payable by Us or by You are payable in Australian currency.

2.23 Economic Sanctions

We are subject to certain laws and economic sanctions (both local and international) which may prohibit Us from completing some financial transactions and/or dealings with You and Your beneficiary/beneficiaries. We will not deal with You or complete a financial transaction under the terms of Your Policy if We are prohibited from doing so by law (including a law relating to sanctions).

2.24 Policy Upgrade

From time to time We will review the benefits provided under the Policy. Should We improve the benefits under the Policy and such improvements result in no increase in premium rates, We will automatically add these benefit improvements to the Policy.

These benefit improvements will be effective from the first date on which a Priority Protection policy containing the benefit improvements could have been purchased from Us.

If the Life Insured is suffering a Pre-Existing Condition (as defined in condition 8) at the effective date of the benefit improvement, the improvement will not apply to any claim affected by that Pre-Existing Condition.

Should a situation arise where the policy owner is disadvantaged in any way as a result of the upgrade, the previous policy wording will apply.

2.25 Choice of Benefits

Priority Protection offers a choice of benefits under five insurance plans. The Policy Schedule details the benefits purchased under the Policy.

The Plans are:

- Life Cover Plan (including optional superannuation PLUS benefits) – (see condition 3);
- Crisis Recovery Stand Alone Plan – (see condition 4);

2.26 Any Questions or Concerns

If You should have any questions or concerns about Your policy please contact Us direct on 1800 333 613 and We will promptly investigate Your enquiry, referring it if necessary to Our Internal Dispute Resolution Committee.

Internal complaints are normally resolved within 45 days. In special circumstances We may take longer; if this is the case We will advise You.

Should You not be satisfied with Our response to Your concerns after they have been ruled upon by the Committee, then You may take the matter up with the independent Financial Ombudsman Service (FOS) (formerly known as the Financial Industry Complaints Service Ltd). Details are as follows:

3.3.1 Benefit

If a claim is paid for the full Sum Insured under the Crisis Recovery benefit, the Life Cover Sum Insured (and any Total and Permanent Disablement Sum Insured under Life Cover Plan, superannuation Life Cover benefit or superannuation PLUS benefit) will be reduced by the amount of the claim paid. The Crisis Recovery Buy-back benefit allows You the option to repurchase at the option date the reduction in the Life Cover Sum Insured (only). The option date is 12 months after the date of the claim payment. The option must be exercised within 30 days after the option date. This repurchase will be subject to the premium rates then applicable for the Life Insured's age next birthday.

No further Crisis Recovery benefit will be payable and any reduction in the Total and Permanent Disablement Sum Insured (under Life Cover Plan, superannuation Life Cover benefit or superannuation PLUS benefit) will not be reinstated.

The Crisis Recovery Buy-back benefit does not apply where the reduction in the Life Cover Sum Insured was due to the payment of a benefit less than 100% of the Crisis Recovery Sum Insured for a Cancer, Coronary Artery Angioplasty, Loss of Use of Limbs and/or Sight or the payment of the Chronic Diagnosis Advancement benefit.

The repurchase of the Life Cover Sum Insured will be:

The reinstatement must occur within the first 30 days after the first anniversary of the date on which Your claim was paid.

You must notify Us in writing during that 30 day period if You choose to reinstate Your Crisis Recovery benefit. Otherwise the option will lapse.

The Crisis Reinstatement benefit can only be purchased with the Crisis Recovery Buy-back benefit. The Crisis Recovery Buy-back option will have to be exercised at the same time as the Crisis Reinstatement option. The Crisis Recovery Sum Insured at all times may not exceed the Life Cover Sum Insured.

After a Crisis Recovery benefit has been reinstated, We will pay a partial benefit for a second Cancer or Heart Attack Crisis Event which occurs after the reinstatement of the benefit. In this case we will pay the lower of:

- \$50,000; and
- 10% of the reinstated Crisis Recovery Sum Insured.

After the Crisis Recovery benefit has been reinstated, the premium for the Crisis Recovery benefit will be based on the Crisis Recovery benefit in force prior to the payment of the claim in respect to a Crisis Event.

The Crisis Recovery benefit can be reinstated only once under the Crisis Reinstatement benefit.

3.4.1 Conditions and Limitations

On any increase in the Sum Insured under this benefit, the same condition applies from the date of the increase in relation to the amount of the increase.

The three months qualifying period will be waived provided this is a replacement policy from a previous insurer with the same sum

insured or lower, and the full qualifying period under the in force policy to be replaced has elapsed.

3.5.5 Pre-Existing Condition

If the Life Insured has a Pre-Existing Condition (as defined in condition 8) and has not disclosed full details to Us before the benefit commencement date (as shown in Your Policy Schedule) or the date of any increase or improvement of the benefit, then the Double Crisis Recovery benefit will not be paid in respect of that Crisis Event and any associated Crisis Event(s).

3.5.6 Chronic Diagnosis Advancement Benefit

The Chronic Diagnosis Advancement benefit is an advanced payment of the Double Crisis Recovery benefit, payable when certain Crisis Events (see below) have been diagnosed, but have not yet met the definition of that Crisis Event as described in condition 8 of the Policy.

The payment is 25% of the Double Crisis Recovery Sum Insured, to a maximum of \$25,000 under all policies issued by Us covering the Life Insured.

The Chronic Diagnosis Advancement benefit will be paid if an appropriate specialist Medical Practitioner confirms, to Our satisfaction, that the Life Insured has suffered or been medically diagnosed with one of the following Crisis Events:

- Motor Neurone disease,
- Multiple Sclerosis,
- Muscular Dystrophy, and
- Parkinson's Disease

but has not yet met the definition of that Crisis Event in condition 8 of the Policy.

If the Chronic Diagnosis Advancement benefit is paid, the Double Crisis Recovery Sum Insured will be reduced by the amount paid. If the Life Insured subsequently qualifies for the payment of the Double Crisis Recovery benefit, the reduced Double Crisis Recovery benefit will be paid.

Only one Chronic Diagnosis Advancement benefit payment will be made in respect of the Life Insured.

3.5.7 Proof of Positive Diagnosis of a Crisis Event Required

Written proof of positive diagnosis of a Crisis Event must be provided to Us at Our head office in the case of claim within 90 days after the date of such diagnosis. Failure to provide such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give such proof within such time, provided such proof is provided as soon as is reasonably possible. We shall at Our own expense have the right and opportunity to examine the Life Insured when and as often as We may reasonably require in connection with a claim.

The Double Crisis Recovery benefit will not be payable unless the Crisis Event and the date thereof is confirmed in writing by a Medical Practitioner(s) and/or legally qualified pathologist(s), and who shall base their diagnosis solely on the definition contained herein of the particular Crisis Event after a study of the histological material and clinical presentation based on the medical history, physical examination, radiological studies, and the results of any other diagnostic procedures performed on the Life Insured. Any such diagnosis must be confirmed by Us.

3.5.8 Claim Forms

Following receipt of a written notice of claim, We shall supply You with the appropriate form(s) to enable proof of positive diagnosis to be filed with Us.

If the Life Insured is deemed by Us to satisfy the definition of Total and Permanent Disablement applicable under the Policy as defined in condition 8, We shall pay a lump sum equal to the Total and Permanent Disablement Sum Insured.

The premium that will be charged for the benefit depends on the definition of total and permanent disablement You select (see definitions in condition 8) and on the occupation category of the Life Insured.

Applicable for Total and Permanent Disablement (Any Occupation) definition only

If the Life Insured returns to work in any other reasonable occupation, after being absent from employment solely as a result of Injury or Sickness for an uninterrupted period of at least 3 consecutive months, He or She will still qualify for a Total and Permanent Disablement benefit if the occupation does not provide remuneration at a rate greater than 25% of the Life Insured's Pre-disablement Income (Total and Permanent Disablement).

b) Partial and Permanent Disablement

A partial benefit will be paid if the Life Insured suffers a permanent loss of use of one arm, or one leg or the permanent loss of sight in one eye.

The amount of the partial benefit payable will be the lower of 25% of the Total and Permanent Disablement Sum Insured, and \$750,000.

The partial benefit will be paid only once during the lifetime of the policy. Any payment made under the partial benefit provisions will reduce the Sum Insured under the Total and Permanent Disablement benefit.

For Mortgage, the Life Cover, Total and Permanent Disablement or Crisis Recovery Sum Insured that can be purchased under this option is the lesser of:

- When an option is exercised to purchase a new Priority Protection policy, the Life Insured must be the same as the Life Insured under the existing Priority Protection policy. When an option is exercised to increase cover under an existing Priority Protection policy, both the Policy Owner and the Life Insured must be the same as under the existing Priority Protection policy.
- Payment for a Crisis Event under crisis cover purchased by the exercise of an option will be made only if diagnosis of that Crisis Event occurred after the option was exercised.

The amount of the lump sum death benefit will be the lower of \$5,000 and the Crisis Recovery Stand Alone Sum Insured.

4.1.3 Qualifying Period on Commencement, Increase or Reinstatement

The Crisis Recovery Stand Alone benefit will not be paid if the Life Insured sustains one of the Crisis Events listed below within three months after the benefit commencement date or the date of any increase or reinstatement of the benefit. These Crisis Events are:

- Accidental HIV Infection
- Benign Brain Tumour
- Cancer
- Coronary Artery Angioplasty
- Coronary Artery By-pass Surgery
- Heart Attack
- Heart Valve Surgery
- Major Organ Transplant
- Other Serious Coronary Artery Disease
- Pulmonary Arterial Hypertension (primary)
- Severe Diabetes
- Stroke
- Surgery to the Aorta
- Terminal Illness

On any increase in the Sum Insured under this benefit, the same condition applies from the date of the increase in relation to the amount of the increase.

The three months qualifying period will be waived provided this is a replacement policy for the same sum insured or lower from the previous insurer and the full qualifying period under the in force policy to be replaced has elapsed.

4.1.4 Pre-Existing Condition

If the Life Insured has a Pre-Existing Condition (as defined in condition 8) and has not disclosed full details to Us before the benefit commencement date (as shown in Your Policy Schedule) or the date of any increase, reinstatement or improvement of the benefit, then the Crisis Recovery Stand Alone benefit will not be payable in respect of that Crisis Event and any associated Crisis Event(s).

4.1.5 Chronic Diagnosis Advancement Benefit

The Chronic Diagnosis Advancement benefit is an advanced payment of the Crisis Recovery Stand Alone benefit, payable when certain Crisis Events (see below) have been diagnosed, but have not yet met the definition of that Crisis Event as described in condition 8 of the Policy.

The payment is 25% of the Crisis Recovery Stand Alone Sum Insured, to a maximum of \$25,000 under all policies issued by Us covering the Life Insured.

The Chronic Diagnosis Advancement benefit will be paid if an appropriate specialist Medical Practitioner confirms, to Our satisfaction, that the Life Insured has suffered or been medically diagnosed with one of the following Crisis Events:

- Motor Neurone Disease,
- Multiple Sclerosis,
- Muscular Dystrophy, and
- Parkinson's Disease

but has not yet met the definition of that Crisis Event in condition 8 of the Policy.

If the Chronic Diagnosis Advancement benefit is paid, the Crisis Recovery Stand Alone Sum Insured will be reduced by the amount paid. If the Life Insured subsequently qualifies for the payment of the Crisis Recovery Stand Alone benefit, the reduced Crisis Recovery Stand Alone benefit will be paid.

Only one Chronic Diagnosis Advancement benefit payment will be made in respect of the Life Insured.

4.1.6 Proof of Positive Diagnosis of a Crisis Event Required

Written proof of positive diagnosis of a Crisis Event must be provided to Us at Our head office in the case of claim within 90 days after the date of such diagnosis. Failure to provide such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give such proof within such time, provided such proof is provided as soon as is reasonably possible. We shall at Our own expense have the right and opportunity to examine the Life Insured when and as often as We may reasonably require in connection with a claim.

The Crisis Recovery Stand Alone benefit will not be payable unless the Crisis Event and the date thereof is confirmed in writing by a Medical Practitioner(s) and/or legally qualified pathologist(s), and who shall base their diagnosis solely on the definition contained herein of the particular Crisis Event after a study of the histological material and clinical presentation based on the medical history, physical examination, radiological studies and the results of any other diagnostic procedures performed on the Life Insured. Any such diagnosis must be confirmed by Us.

4.1.7 Claim Forms

Following receipt of a written notice of claim, We shall supply You with the appropriate form(s) to enable proof of positive diagnosis to be filed with Us.

4.1.8 Limitations

- The maximum Crisis Recovery Stand Alone benefit to be paid in respect of any and all claims arising from coverage under this benefit will not exceed in total the Crisis Recovery Stand Alone Sum Insured.
- After the happening of one Crisis Event for which payment of the full Crisis Recovery Stand Alone Sum Insured has been

made, no further amount will be payable under the Crisis Recovery Stand Alone benefit. The Crisis Recovery Stand Alone benefit can be reinstated if You have selected the Crisis Reinstatement benefit (see condition 4.2).

- The Crisis Recovery Stand Alone benefit does not cover any disease, sickness or incapacity other than a Crisis Event as defined herein which occurs during the period the Crisis Recovery Stand Alone benefit remains in force.

The Crisis Recovery Stand Alone Sum Insured will be reduced by the payment of a claim under the following benefits:

- Crisis Recovery Stand Alone;

- Total and Permanent Disablement (including Partial and Permanent Disablement).

The Crisis Recovery Stand Alone Sum Insured will be reduced by the amount of the claim paid. The premium for this benefit will be adjusted to reflect the reduction in the Crisis Recovery Stand Alone Sum Insured.

The option must be exercised within 30 days from the date the option became available. Otherwise the option will lapse.

After a Crisis Recovery Stand Alone benefit has been reinstated, We will pay a partial benefit for a second Cancer or Heart Attack Crisis Event which occurs after the reinstatement of the benefit. In this case we will pay the lower of:

- \$50,000; and
- 10% of the reinstated Crisis Recovery Sum Insured.

After the Crisis Recovery Stand Alone benefit has been reinstated, the premium for the Crisis Recovery Stand Alone benefit will be based on the Crisis Recovery Stand Alone benefit in force prior to the payment of the claim in respect to a Crisis Event. The Crisis Recovery Stand Alone benefit can be reinstated only once under the Crisis Reinstatement benefit.

4.2.2 Conditions and Limitations

Once the Crisis Recovery Stand Alone benefit has been reinstated we will not pay for a Crisis Event that is related to, or caused by, the medical condition resulting in the original claim under the Crisis Recovery Stand Alone benefit other than for a second Heart Attack or second Cancer Crisis Event.

Where the Sum Insured has been reinstated following the full payment of a Coronary Crisis Event, other than a Heart Attack, we will cover all Crisis Events except Coronary Events, Loss of Independence and Terminal Illness.

a) Heart Attack Crisis Event

Where the Crisis Recovery Stand Alone Sum Insured has been reinstated following the full payment in respect of a Heart Attack Crisis Event, We will reinstate the Sum Insured covering;

- Cancer,

- Cancer, and
- all Other Serious Crisis Events (excluding Loss of Independence and Terminal Illness)

Cover for all Coronary Crisis Events including a Heart Attack will be excluded.

If the Life Insured is deemed by Us to satisfy the definition of Total and Permanent Disablement applicable under the Policy as defined in condition 8, We shall pay a lump sum equal to the Total and Permanent Disablement Sum Insured.

The premium that will be charged for the benefit depends on the definition of total and permanent disablement You select (see definitions in condition 8) and on the occupation category of the Life Insured.

Applicable for Total and Permanent Disablement (Any Occupation) definition only

If the Life Insured returns to work in any other reasonable occupation, after being absent from employment solely as a result of Injury or Sickness for an uninterrupted period of at least 3 consecutive months, He or She will still qualify for a Total and Permanent Disablement benefit if the occupation does not provide remuneration at a rate greater than 25% of the Life Insured's Pre-disablement Income (Total and Permanent Disablement).

b) Partial and Permanent Disablement

A partial benefit will be paid if the Life Insured suffers a permanent loss of use of one arm, or one leg or the permanent loss of sight in one eye.

The amount of the partial benefit payable will be the lower of 25% of the Total and Permanent Disablement Sum Insured and \$750,000.

The benefit will be paid only once during the lifetime of the Policy. Any payment made under the partial benefit provisions will reduce the Sum Insured under the Total and Permanent Disablement benefit and the Crisis Recovery Stand Alone benefit.

c) Financial Planning Reimbursement

On the payment of a claim for the Total and Permanent Disablement Sum Insured, We will reimburse the Policy Owner the cost of obtaining advice from one or more financial planners as to how the claim proceeds are to be managed or invested subject to the conditions set out below. 5. Income Protection Plan (Agreed Value or Indemnity)

The 'Income Protection Plan' condition applies only if the Income Protection Plan has been selected. The benefits selected under the plan are shown on the Policy Schedule.

Priority Protection can provide two income protection benefits each of which provides an income stream in the event of the total or partial disablement of the Life Insured. They are:

- Agreed Value, and
- Indemnity;

and

Income Protection Accident Only Benefit

Important Notice

This is not a savings plan and is without profits. The primary purpose of the Income Protection Plan is to provide an income benefit in the event of the disablement of the Life Insured either through Injury or Sickness or through Accidental Injury only.

5.1.1 Total Disablement Benefit

Applicable for Occupational Categories AAA, AA and A only:

If the Life Insured is disabled (totally or partially) for longer than the Waiting Period selected, the monthly benefit will be payable from the end of the Waiting Period and will continue to be paid throughout the Benefit Period selected as long as the Life Insured continues to be disabled. The benefit is calculated on a daily basis and paid monthly in arrears. The amount of the Total Disablement benefit may be subject to claim offsets (see condition 5.1.10).

Applicable for Occupational Categories B, C, D and E only:

If the Life Insured is totally disabled for longer than the Waiting Period selected, the monthly benefit will be payable from the end of the Waiting Period and will continue to be paid throughout the Benefit Period selected as long as the Life Insured continues to be totally disabled. The benefit is calculated on a daily basis and paid at the end of each month. The amount of the Total Disablement benefit may be subject to claim offsets (see condition 5.1.10).

The Life Insured is totally disabled if He or She satisfies the definition of total disablement relevant to the income protection benefit selected and the occupation category of the Life Insured at the commencement date of the benefit.

If the Income Protection benefit is selected, the relevant definitions are Total Disablement (Income Protection) applicable to Occupation Categories AAA, AA, A, B, C & D, and Total Disablement (Income Protection – Occupation E) applicable to Occupation Category E.

If the Income Protection Accident Only benefit is selected, the relevant definitions are Total Disablement (Income Protection Accident Only) applicable to Occupation Categories AAA, AA, A, B, C & D, and Total Disablement (Income Protection Accident Only – Occupation E) applicable to Occupation Category E.

See condition 8 for the definitions of total disablement.

5.1.1.1 Total Disablement Benefit Amount (Agreed Value)

This section applies if the Policy Schedule shows that the Income Protection (Agreed Value) benefit or the Income Protection Accident Only (Agreed Value) benefit has been selected.

The initial amount of benefit payable will be the Insured Monthly Benefit set out in the Policy Schedule, as amended from time to time by indexation increases, voluntary increases or voluntary decreases, less any claim offsets applicable (see condition 5.1.10).

5.1.1.2 Total Disablement Benefit Amount (Indemnity)

This section applies if the Policy Schedule shows that the Income Protection (Indemnity) benefit or the Income Protection Accident Only (Indemnity) benefit has been selected.

The initial amount of benefit payable will be the lesser of:

- (i) the Insured Monthly Benefit set out in the Policy Schedule, as amended from time to time by indexation increases, voluntary increases or voluntary decreases at the commencement of the disablement (applicable to Occupational Categories AAA, AA and A only) or total disablement, less any claim offsets applicable (see condition 5.1.10); and
- (ii) 75% of the first \$26,667 of monthly Pre-disablement Income (Indemnity) at the commencement of the disablement (applicable to Occupational Categories AAA, AA and A only) or total disablement, plus 50% of the next \$20,000 of monthly Pre-disablement Income (Indemnity), plus 20% of the next \$150,000 of the Life Insured's Pre-Disablement Income (Indemnity), less any claim offsets applicable (see condition 5.1.10).

5.1.2 Partial Disablement Benefit**Applicable for Occupational Categories AAA, AA and A only:**

The Partial Disablement benefit will be paid if the Life Insured

- has been continuously disabled (totally or partially) during the Waiting Period; and
- has been continuously disabled (totally or partially) since the end of the Waiting Period; and
- is now partially disabled.

Applicable for Occupational Categories B, C, D and E only:

The Partial Disablement benefit will be paid if the Life Insured

- has been totally disabled for at least 7 consecutive days from the start of the Waiting Period; and
- has been continuously disabled (totally or partially) during the Waiting Period; and
- has been continuously disabled (totally or partially) since the end of the Waiting Period; and
- is now partially disabled.

The Life Insured is partially disabled if He or She satisfies the definition of partial disablement relevant to the income protection benefit selected. The relevant definitions are Partial Disablement (Income Protection) or Partial Disablement (Income Protection Accident Only) as defined in condition 8.

The benefit will be a proportion of the monthly benefit and will be payable from the first day the Life Insured is partially disabled after the end of the Waiting Period and will continue throughout the Benefit Period selected as long as the Life Insured continues to be partially disabled. The benefit is calculated on a daily basis and paid monthly in arrears.

5.1.2.1 Partial Disablement Benefit Amount (Agreed Value)

The initial monthly benefit payable will be:

$$(A - B)/A \times C,$$

where

A = Pre-disablement Income,

B = Monthly income while partially disabled; and

C = Insured Monthly Benefit

If the Life Insured's monthly income while partially disabled is negative, We will treat it as zero.

If there is a delay between the time the Life Insured generated the monthly income and when the Life Insured actually received it, We will deem the income to have been received in the month in which it was actually generated and this income will form the basis of our calculation of 'B'.

If the Life Insured is partially disabled and is not working to the extent of His/Her capability as a result of causes other than Injury or Sickness and this situation continues for at least 2 months, then 'B' will be calculated based on what the Life Insured could reasonably be expected to earn if He/She were working to the extent of His/Her capability. (Please see condition 8 for the definition of 'PARTIAL DISABLEMENT – INCOME PROTECTION CAPABILITY CLAUSE' for more details on the calculation of the Partial Disablement benefit amount.)

The amount of benefit payable in a month may be reduced for any claim offsets (see condition 5.1.10).

If the Life Insured is earning 25% or less of Pre-disablement Income (Agreed Value) during any of the first three months immediately after the end of the Waiting Period, We will pay the total disablement benefit for that month.

See condition 8 for the definitions of Pre-disablement Income. Different definitions apply to Agreed Value and Indemnity.

5.1.2.2 Partial Disablement Benefit Amount (Indemnity)

The initial monthly benefit payable will be:

$$(A - B)/A \times C,$$

where

A = Pre-disablement Income,

B = Monthly income while partially disabled; and

C = Insured Monthly Benefit

If the Life Insured's monthly income while partially disabled is negative, We will treat it as zero.

If there is a delay between the time the Life Insured generated the monthly income and when the Life Insured actually received it, We will deem the income to have been received in the month in which it was actually generated and this income will form the basis of our calculation of 'B'.

If the Life Insured is partially disabled and is not working to the extent of His/Her capability as a result of causes other than Injury or Sickness and this situation continues for at least 2 months, then 'B' will be calculated based on what the Life Insured could reasonably be expected to earn if He/She were working to the extent of His/Her capability. (Please see condition 8 for the definition of 'PARTIAL DISABLEMENT – INCOME PROTECTION CAPABILITY CLAUSE' for more details on the calculation of the Partial Disablement benefit amount.)

The amount of benefit payable in a month may be reduced for any claim offsets (see condition 5.1.10).

The aggregate of the Partial Disablement benefit, the Life Insured's earnings in that month from personal exertion and any other payments received by the Life Insured (see (i) and (ii) of the 'claim offset' condition in 5.1.10), where applicable, cannot exceed the lower of the Insured Monthly Benefit under the Policy and 100% of the Life Insured's Pre-disablement Income (Indemnity).

If the Life Insured is earning 25% or less of Pre-disablement Income (Indemnity) during any of the first three months immediately after the end of the Waiting Period, We will pay the total disablement benefit for that month.

See condition 8 for the definitions of Pre-disablement Income. Different definitions apply to Agreed Value and Indemnity.

5.1.3 Waiver of Premium Benefit

We will waive premiums from the date we determine the Life Insured became totally disabled until the date total disablement ceases or the end of the Benefit Period, whichever occurs first.

While premiums are being waived, Indexation of Benefit if selected, will continue.

Premium payments will recommence from the date on which the waiving of premium ceases.

5.1.4 Rehabilitation Expenses Benefit

We will pay the cost of a rehabilitation program for the Life Insured that is approved by Us in advance. The rehabilitation program must be necessary as part of a structured return to work program and must be necessary to assist in rehabilitating the Life Insured back to work.

The benefit does not cover additional expenses such as wheelchairs, artificial limbs, home and car modification and travelling and education expenses. The maximum benefit is 12 times the Insured Monthly Benefit and is payable in addition to any other benefit received.

5.1.5 Recurrent Disablement Benefit

If the Life Insured returns to work on a full-time basis after receiving a total disablement benefit or partial disablement benefit and suffers a recurrence of the disablement from the same or a related Injury or Sickness (Income Protection benefit) or from the same Accidental Injury (Income Protection Accident Only benefit) within 12 months of returning to work on a full-time basis, We will waive the Waiting Period and recommence benefit payments immediately.

The claim will be treated as a continuation of the most recent claim and will be payable for up to the balance of the Benefit Period.

Any recurrence of total disablement or partial disablement occurring more than 12 months after returning to work on a full-time basis will be subject to another Waiting Period and another Benefit Period.

5.1.6 Severity Benefit

If We have paid claim payments for more than 6 consecutive months after the end of the Waiting Period, and at that time the Life Insured is totally disabled to the extent that the Life Insured is unable to perform at least 2 of the Activities of Daily Living and the Life Insured is under the continuous care and supervision by

another adult, We will pay an additional 1/3 of the monthly benefit until the end of the Benefit Period as long as the Life Insured continues to be totally disabled to the extent that the Life Insured is unable to perform at least 2 of the Activities of Daily Living.

The benefit will be subject to re-assessments, based on medical evidence, that the Life Insured requires ongoing continuous care and supervision by another adult. The benefit amount may be subject to claim offsets (see condition 5.1.10).

The sum of the Total Disablement benefit and the Severity benefit cannot exceed \$30,000 per month.

5.1.7 Death Benefit

If the Life Insured dies while the Income Protection Plan is in force We will pay You or Your nominated beneficiary six times the Insured Monthly Benefit up to a maximum death benefit of \$60,000.

5.1.8 Worldwide Protection

The Life Insured is covered under the Income Protection Plan (Agreed Value or Indemnity) anywhere in the world, 24 hours each day.

5.1.9 AIDS Cover

The Income Protection benefit (Agreed Value or Indemnity) provides cover on the Life Insured's disablement due directly or indirectly to the human immunodeficiency virus (HIV) or the acquired immune deficiency syndrome (AIDS) from any cause, first diagnosed during the term of the benefit. We may require the Life Insured to undergo an HIV test at the time of application to ensure that the Life Insured is not HIV positive at the commencement of the benefit.

5.1.10 Claim Offsets

Occupation Categories AAA and AA (Agreed Value and Indemnity)

This condition applies to both the Income Protection benefit (including the Needlestick Injury Benefit) and the Income Protection Accident Only benefit.

In the event of a claim for the total disablement or partial disablement benefit We may reduce the amount of the benefit otherwise payable by amounts received from other sources for loss of income in respect of the Life Insured's Injury or Sickness.

Amounts that can be offset include regular payments made from another insurance policy or from a superannuation/pension plan, but only if that policy/plan was not disclosed to Us when You applied for this Policy or when You applied for an increase in cover under the Policy.

If any of these regular payments are paid other than monthly or in the form of a lump sum or are exchanged for a lump sum, We will convert them to an equivalent monthly payment. A lump sum payment will be deemed to be the monthly equivalent of 1/60 of the lump sum payment for up to five years. Any lump sum Total and Permanent Disablement, Crisis Recovery or Terminal Illness benefit received will not be offset against Your total disablement or partial disablement benefit.

We will reduce the amount of the total disablement or partial disablement benefit only to the extent that:

- the aggregate of the Total Disablement benefit and any other payments made (see above) cannot exceed 75% of the first \$26,667 of the Life Insured's monthly Pre-disablement Income, plus 50% of the next \$20,000 of the Life Insured's monthly Pre-disablement Income plus 20% of the next \$150,000 of the Life Insured's monthly Pre-disablement Income;
- the aggregate of the Partial Disablement benefit, the Life Insured's monthly Income and any other payments made (see above) cannot exceed 100% of the Life Insured's monthly Pre-disablement Income.

Occupation Categories A, B, C, D and E (Agreed Value and Indemnity)

This condition applies to both the Income Protection benefit (including the Needlestick Injury Benefit) and the Income Protection Accident Only benefit.

In the event of a claim for the total disablement or partial disablement benefit We may reduce the amount of the benefit otherwise payable by amounts received from other sources or amounts that the Life Insured is entitled to receive for loss of income in respect of the Life Insured's Injury or Sickness.

Amounts that can be offset are:

- regular payments made under a workers' compensation or motor accident claim or any claim made under any similar state or federal legislation; and
- regular payments made from another insurance policy or from a superannuation/pension plan, but only if that policy/plan was not disclosed to Us when You applied for this Policy or when You applied for an increase in cover under this Policy.

If any of these regular payments are paid other than monthly or in the form of a lump sum or are exchanged for a lump sum, We will convert them to an equivalent monthly payment. A lump sum payment will be deemed to be the monthly equivalent of 1/60 of the lump sum payment for up to five years. Any lump sum Total and Permanent Disablement, Crisis Recovery or Terminal Illness benefit received will not be offset against Your total disablement or partial disablement benefit.

We will reduce the amount of the total disablement or partial disablement benefit only to the extent that:

- the aggregate of the Total Disablement benefit and any other payments made (see (i) and (ii) above) cannot exceed 75% of the first \$26,667 of the Life Insured's monthly Pre-disablement Income, plus 50% of the next \$20,000 of the Life Insured's monthly Pre-disablement Income plus 20% of the next \$150,000 of the Life Insured's monthly Pre-disablement Income;
- the aggregate of the Partial Disablement benefit, the Life Insured's monthly Income and any other payments made (see (i) and (ii) above) cannot exceed 100% of the Life Insured's monthly Pre-disablement Income.

5.1.11 Needlestick Injury Benefit

If, as a result of a needlestick injury or a splash injury occurring during the course of carrying out the duties of their normal occupation, the Life Insured becomes infected with Human Immunodeficiency Virus (HIV), the Acquired Immune Deficiency Syndrome (AIDS), Hepatitis B or Hepatitis C and as a result a reduction in the Life Insured's earnings is experienced, We will pay a Needlestick Injury benefit (see condition 5.1.11.2 for Agreed Value or condition 5.1.11.3 for Indemnity) as at the Date of Loss (Needlestick) (see condition 8) once the Waiting Period (Needlestick) (see condition 8) expires.

5.1.11.1 Conditions and Limitations

- This benefit is only available to the Life Insured who has the Occupation Category of AA and is working in a medical or allied occupation at the time of the injury.
- Any injury giving rise to a potential claim must be reported to Us in addition to the Life Insured's relevant licensing body within 30 days and be supported by a negative HIV, Hepatitis B or Hepatitis C antibody test taken within 7 days after the injury.
- Sero-conversion evidence of the HIV, Hepatitis B or Hepatitis C infection must occur within six months of the injury.
- We must be given access to test independently all blood samples used, if We require.
- We retain the right to take further independent blood tests or other medically accepted HIV tests.
- Infection in any other manner, caused directly or indirectly, including by an intentional self-inflicted act, sexual activity or recreational intravenous drug use is specifically excluded.
- The Needlestick Injury benefit does not cover any disease, sickness or incapacity other than occupationally acquired infection of the Life Insured with HIV, Hepatitis B or Hepatitis C whilst performing the duties of their normal occupation.
- Cover for the Needlestick Injury benefit will not apply where a cure for HIV, AIDS, Hepatitis B or Hepatitis C has become available before the accident giving rise to a claim.
- The Needlestick Injury benefit is not payable in conjunction with the Accidental HIV Infection Crisis Event under the Crisis Recovery benefit, or the Occupationally Acquired Hepatitis B or Hepatitis C infection under the PLUS Optional benefit.

5.1.11.2 Needlestick Injury Benefit (Agreed Value)

The initial monthly benefit payable will be:

$$(A - B)/A \times C,$$

where

A = Pre-Needlestick Injury Income (Agreed Value),

B = Monthly income after Date of Loss (Needlestick); and

C = Insured Monthly Benefit

If the Life Insured's monthly income whilst the Needlestick Injury benefit is being paid is negative, We will treat 'B' above as zero.

If there is a delay between when the Life Insured generated the monthly income and when the Life Insured actually received it, We will deem the income to have been received in the month in which it was actually generated and this income will form the basis of our calculation of 'B'.

The amount of benefit payable in a month may be reduced for any claim offsets (see condition 5.1.10).

See condition 8 for the definitions of Pre-Needlestick Injury Income (Agreed Value), Date of Loss (Needlestick) and Waiting Period (Needlestick). Different definitions apply to agreed value and indemnity.

5.1.11.3 Needlestick Injury Benefit (Indemnity)

The initial monthly benefit payable will be:

$$(A - B)/A \times C,$$

where

A = Pre-Needlestick Injury Income (Indemnity),

B = Monthly income after Date of Loss (Needlestick); and

C = Insured Monthly Benefit

If the Life Insured's monthly income whilst the Needlestick Injury benefit is being paid is negative, We will treat 'B' above zero.

If there is a delay between when the Life Insured generated the monthly income and when the Life Insured actually received it, We will deem the income to have been received in the month in which it was actually generated and this income will form the basis of our calculation of 'B'.

The amount of benefit payable in a month may be reduced for any claim offsets (see condition 5.1.10).

The aggregate of the Needlestick Injury Benefit (Indemnity), the Life Insured's earnings in that month from personal exertion and any other payments received by the Life Insured (see (i) and (ii) of the 'claim offset' condition in 5.1.10), where applicable, cannot exceed the lower of the Insured Monthly Benefit under the Needlestick Injury benefit (Indemnity) and 100% of the Life Insured's Pre-Needlestick Injury Income (Indemnity).

See condition 8 for the definitions of Pre-Needlestick Injury Income (Indemnity), Date of Loss (Needlestick) and Waiting Period (Needlestick). Different definitions apply to Agreed Value and Indemnity.

5.1.12 When Benefit Payments Cease

The Income Protection Lump Sum Benefit condition applies if the Income Protection Lump Sum Benefit has been selected.

The Income Protection Lump Sum Benefit is a Rider Benefit under the Income Protection benefit and can only be selected with a Benefit Period to age 65 and a Waiting Period of 90 days or less. It cannot be selected by Occupation Categories D or E.

If a claim is made for an Income Protection Benefit, the Life Insured can apply to receive or We may offer the Life Insured an Income Protection Lump Sum benefit, once the Life Insured is deemed by Us to satisfy the definition of Total and Permanent Disablement (Own Occupation) applicable for this benefit.

If We pay the Life Insured an Income Protection Lump Sum benefit, no further benefit will be payable and the Income Protection benefit will end.

The Income Protection Lump Sum benefit is calculated as the lesser of the following:

- \$3,000,000; or
- An amount equal to 'A' multiplied by the annualised monthly benefit, where:

The annualised monthly benefit is 12 times the total of the Life Insured's monthly benefit at the time We determine that the Life Insured is Totally and Permanently Disabled, increased with Claim Escalation (see condition 5.2) if selected under the Policy, but is reduced by any benefit offsets which would have applied to the Life Insured's monthly benefit had the Life Insured not chosen to receive the Income Protection Lump Sum benefit.

'A' is:

- 15, if the age of the Life Insured's next birthday is less than 40 years
- 13, if the age of the Life Insured's next birthday is between the ages of 40 and 44 inclusive

- 11, if the age of the Life Insured's next birthday is between the ages of 45 and 49 inclusive
- 9, if the age of the Life Insured's next birthday is between the ages of 50 and 55 inclusive
- 65 minus the Life Insured's next birthday when the Income Protection Lump Sum benefit becomes payable, if the Life Insured's next birthday is 56 or more when the Income Protection Lump Sum benefit becomes payable.

If the lesser of the above amounts is nil or a negative amount, no Income Protection Lump Sum benefit is payable.

 - at the end of the period of three months after the date of lodgement of the claim for Total and Permanent Disablement, and after consideration of all the medical evidence and such other evidence as We may require, has become in Our opinion incapacitated to such an extent as to render Him or Her unlikely ever to engage in His or Her own occupation.
- or
- c) the Life Insured has suffered Loss of Independence as defined in condition 8.

If the Life Insured is eligible to receive the Income Protection Lump Sum benefit, We will use the multiple based on the Life Insured's age at the date, being the date subsequent to the date of lodgement of the claim for this benefit, when We can first reasonably determine that the Life Insured has met the definition of Total and Permanent Disablement.

If for any reason, Total or Partial Disablement benefits have been paid under the Income Protection Plan beyond the date of determination of Total and Permanent Disablement, these amounts will be offset in their entirety from the Income Protection Lump Sum benefit payable.

5.6.2 Conditions and Limitations

This benefit will not be paid in conjunction with the Specified Injury or the Severity benefit.

This benefit may only be selected on commencement of the Income Protection benefit and cannot be cancelled at a later stage.

We will not pay an Income Protection Lump Sum Benefit if in our opinion the Injury or Sickness causing the Total and Permanent Disablement will lead to the Life Insured's death within 12 months of the date We determine the Life Insured to be Totally and Permanently Disabled.
