# Section A - Welcome and Contacts

# 1. Welcome to AIA Australia's Adviser Guide

We've developed this adviser guide as a handy tool for advisers to find out all they need to know about AIA Australia's underwriting guidelines, claims and remuneration procedures.

Another good source of information is the AIA Australia Adviser Site, which gives you access to:

- New Business reports
- Policy Services reports
- Operations Forms
- Marketing material
- Underwriting forms and guidelines
- Quoting software

You can access the Adviser Site at: https://aia.com.au/AdviserSite

# Section B - Underwriting Guidelines

# 1. Underwriting requirements - medical and financial

# The underwriting process

Underwriting is the process of 'selecting and classifying' risks. The underwriter is responsible for assessing all applications of a potential client based on their financial history, occupation, health and lifestyle. This information will enable the underwriter to make an informed decision as to the client's suitability for cover.

### Underwriting philosophy

At AIA Australia, we aim to keep you and your clients up to date and fully informed about the underwriting process and the decisions we make. We are approachable and happy to discuss the insurance needs of your client with you.

We are committed to the following:

- 'One bite' underwriting asking for all requirements upfront by thoroughly assessing the case the first time.
- Assessing these 'one bite' applications within 2 days.
- Communicating the underwriting decision when all requirements are received.
- If application is declined, we will discuss with you the alternative options for your client.

We will not always be able to provide terms that are agreeable to your clients, but we are on hand to discuss these decisions with you and provide suitable explanations as to why the decision was made.

# **Acceptance**

The majority of applications received by us are accepted at standard rates. If we are unable to offer full cover to a client then we may offer alternative terms determined on a case-bycase basis.

# eApp® Express

eApp® Express includes an underwriting validation layer which improves the quality and integrity of the data reaching AIA Australia.

Users will benefit from the ability to provide customers with the surety associated with point of sale underwriting decisions. In addition, users will find eApp® Express significantly easier to use as a result of the following benefits:

- Substantially reduced requirement for follow-up consultations with clients
- Simplified application process, i.e. all relevant questions automatically presented
- Improved listings, i.e. occupations
- Ease of navigation through quote and application
- Automated submissions and updates
- In some cases eliminates the need for the signing and submission of special acceptance terms.

#### More Information

For more information about eApp® Express or to obtain a copy of the eApp® Express User Guide, please contact your local Client Development Manager or our Client Development Support team on 1800 033 490 (option 4).

# eApp® Express Mobile

As well as eApp® Express Online, we also have eApp® Express Mobile. This version is desktop based allowing quotes (and the application) to be completed when the user is offline. An internet connection is required in order to submit the application.

AIA Australia continually updates eApp® Express Mobile to ensure the information remains current. These updates can be found via the Adviser Site. The user will be notified when the updates become available.

# 4. High net worth

### Assets and Liabilities (large Income Protection business)

For high net worth individuals (ie, cover \$20,001/month or more), a separate AIA Australia Financial Questionnaire detailing the applicants 'Assets & Liabilities' (Sections A & B), must be completed by the applicant and the adviser. This statement should include an itemised list of all assets and liabilities to enable a thorough analysis and evaluation of the net asset base and degree of liquidity (but excluding the net value of the family home).

# Basis for offsetting the maximum benefit allowable

An applicant with net assets **exceeding** \$5,000,000 may have the maximum annual benefit offset using a conservative 5% investment return on the net asset value.

The net value of the family home however is excluded from the net asset calculation.

# How the 5% will be calculated to offset the Income Protection benefit

Using AIA Australia's formula:

[(Earned Income + Unearned Income) X 75% less Unearned Income]

Example: Applicant's Earned Income = \$275,000 pa

Total Assets \$7,200,000 (excluding family home)
Total Liabilities \$2,100,000 (excluding mortgage on family home)

Net Assets: \$5,100,000

Earned Income: \$275,000 Unearned Income: \$255,000

(Using formula: Earned + Unearned X 75% - Unearned Income)

- **\$275,000 + \$255,000 = \$530,000.** 
  - $\rightarrow$  75% of the first \$320,000 = \$240,000 plus,
  - $\rightarrow$  50% of the next \$210,000 =  $\frac{$105,000}{$345,000}$
  - → \$345,000 \$255,000 (Unearned Income) = \$90,000

Maximum insured monthly benefit available = \$90,000/12 = \$7,500/m

#### Case Study:

Paul is a Barrister SC 48nbd earning \$620,000 per annum income. He has numerous investments including holiday homes, rental properties and various managed investments. Paul has no existing income protection cover and on financial assessment of his application for income protection, his net assets (assets less liabilities), were \$5.5M (excluding his superannuation and family home).

Paul's income protection benefit was calculated as follows:

Earned Income: \$620,000

Unearned Income: \$275,000 (calculated as 5% of \$5.5M

of net assets)

Using the formula: (Earned Income + Unearned Income) X 75% less Unearned Income

\$620,000 + \$275,000 = \$895,000  $\rightarrow$  75% of first \$320,000 = \$240,000 plus, → 50% of next \$240,000 = \$120,000 plus, → 20% of balance \$335,000 = \$ 67,000 \$427,000 Total

The maximum monthly benefit available for Paul is → \$427,000 - \$275,000 (Unearned Income) = \$152,000

 $\rightarrow$  \$152,000/12 = \$12,667/m

# 5. Proof of income - last 2 years

When requesting proof of income we are looking for consistent earnings in history which demonstrate continuity of income over the past few years.

Proof of income is defined as actual lodged returns submitted to the Australian Taxation Office (ATO) over the last 2 years.

Since incomes can vary each year, (particularly for self-employed clients), we will average the income if high earnings are demonstrated in a single year which is out of line with previous years income (unless there are particular reasons to base the cover on the most recent earnings). We will, however, consider current figures available not yet lodged to the ATO, provided a statement is received from the policy holder's accountant confirming that the figures are the final figures that will be submitted to the ATO.

These figures would be in addition to the actual figures already provided for the past two-year period. (When determining the final benefit allowable, other factors also taken into consideration include; age of the applicant, years in the business, date the business started, any significant fluctuations in earnings etc.)

# 6. Agreed Value and Indemnity alterations

#### Agreed Value to Indemnity

Existing Income Protection (IP) policies altering from Agreed Value to Indemnity do not require any medical or financial evidence since the risk to AIA Australia reduces. Cases can be accepted without approval by an underwriter.

### **Indemnity to Agreed Value**

When altering existing IP cover from Indemnity to Agreed Value financial evidence should be obtained as follows:

# Case fully underwritten medically by AIA Australia (includes Takeover terms cases)

### Below the Financial UW Limits

- 1. Completion of Income Details via:
  - Section F (Income Details) of Application for Increases/Additions.

#### Above the Financial UW Limits

- 1. Completion of Income Details via:
  - Section F (Income) Details) of Application for Increases/Additions.
- 2. Financial Evidence per the mandatory limits for the period when Agreed Value cover is taken up.

# Cases accepted as Continuation Option from Group

#### Below the Financial UW Limits

1. Full completion of Application for Increases/ Additions.

#### Above the Financial UW Limits

- 1. Full completion of Application for Increases/ Additions.
- 2. Financial Evidence per the mandatory limits for the period when Agreed Value cover is taken up.

# 7. Pastimes and pursuits

This section is designed to help you in determining whether a particular sport or activity would be likely to incur a loading, exclusion or requirement for special acceptance terms and to also assist in preparing a potential client for the type of cover that is suitable for them.

The table on the following pages illustrates the type of activity, level of participation and possible terms. It is a guide only and each application regarding pastimes and hazardous activities will be based on the information provided in the application.

If an activity is not listed, please contact our underwriting team. Alternatively, the life insured can complete the relevant questionnaire contained in the personal statement.

# 8. Expatriate Cover

## Who is considered an expatriate (ex-pat)?

An 'expatriate' for insurance purposes is defined as:

'Those who maintain and continue to hold Australian Permanent Residency or Citizenship status but intend to work overseas for short periods and return to live in Australia in the near future (3–5 years).'

# What if the applicant is currently residing outside of Australia?

If the applicant is currently residing outside of Australia, AIA Australia must establish the following:

- The country where the ex-pat is already working. The financial services regulations around the offering of financial products may not allow for foreign issuers to sell their products in that country. In addition, licensing restrictions on AIA Australia may limit its ability to sell its products to residents outside of Australia. Please contact your AIA Australia underwriter for further details.
- 2. How long the applicant has been; and how long they will remain outside of Australia.
- What the applicant's current or intended occupation is while outside of Australia.
- 4. The relevant country category from the Department of Foreign Affairs (DFAT). AIA Australia cannot offer any cover to those applicants residing in a DFAT 4 (high risk country). AIA Australia will consider DFAT 3 countries on an individual basis.
- Advisers must not actively promote the product offshore by preparing flyers for distribution to their offshore clients, or mine data lists in the offshore countries to promote AIA Australia product (and like activities).

#### Terms and conditions

# Life Cover, Total and Permanent Disablement (TPD), and Crisis Recovery:

- 1. The applicant must be an Australian citizen or a permanent resident.
- 2. The applicant must intend to return to and reside in Australia within 5 years of taking the policy.
- 3. Cover must not exceed \$5 million for Life Cover, \$3 million for TPD (subject to age and occupation) and \$2 million for Crisis Recovery (subject to age and occupation) from all sources.
- 4. Medicals and blood tests can be performed in Australia or overseas. If performed overseas they must be completed in English using AIA Australia's standard forms (we will reimburse up to the standard Australian fees).
- All premiums and claims proceeds will be made in Australian dollars.

#### Income Protection and Business Expenses:

- 1. The applicant must be an Australian citizen or a permanent resident.
- 2. The applicant must intend to return to and reside in Australia within 3 years of taking the policy.
- 3. Minimum 30-day waiting period.
- 4. Indemnity cover only whilst working overseas.
- 5. Copy of contract outlining length/term of the contract if available.
- 6. Open ended contracts will be declined until the insured returns to Australia.
- 7. Medicals and blood tests can be performed in Australia or overseas. If performed overseas they must be completed in English using AIA Australia's standard forms (we will reimburse up to the standard Australian fees).
- 8. All premiums and claims proceeds will be made in Australian dollars.
- 9. Special terms apply in the event of a claim overseas, whereby the insured must return to Australia within six months from the commencement of the disablement.

# 9. Mining Guidelines

The following guidelines apply to occupations in mines and the oil and gas industry operating in Australia and Australian waters. We will also apply the same ratings to underground and offshore workers unless otherwise specified.

Many jobs within these industries are located in remote areas of Australia. As a result, incomes include; living away from home allowances and penalty rates for the hours worked. This means that these occupations may offer higher than average incomes for the equivalent occupations based in cities and towns. In all instances completion of AIA Australia's Mining Questionnaire or Oil & Gas Questionnaire is required.

For these reasons the level of cover for income protection will be restricted. Both indemnity and agreed value options are available (except D & E):

### Maximum Monthly Benefits:

No monthly benefit restrictions AAA only

- >5 years experience \$7500 A/B/C
- <5 years experience \$6250 A/B/C
- >5 years experience \$7500 D/E
- <5 years experience \$4000 D/E

Apart from the maximum monthly benefit restrictions the normal occupational rules will apply.

# 10. Increases and alterations – auto requirements

#### **Important Note:**

## 1. Policies originally accepted on Takeover Terms

The guidelines below do not apply for cases originally accepted by AIA Australia under continuation options from group or takeover terms from another company. These increases will require full medical and financial evidence.

### Alterations/Increases

0–3 months from date original application was received	>3 months			
Original application form	Application for Increase/ Addition is needed Signed quote if applicable			

Note: The validity of the Application for Increase/Addition is the same as for normal applications.

#### Review of existing sub standard terms

### a. Medical Loadings

An application for Increase/Addition is needed for all reviews of percentage Extra Mortality/Morbidity loadings or Dollar per mile loadings in addition to medical evidence.

# b. Medical Exclusions

For joint related exclusions the relevant questionnaire will be needed.

For exclusions as a result of other medical conditions, an application for Increase/Alternations is needed in addition to medical evidence.

#### c. Pastimes Exclusions

For pastimes exclusions the relevant questionnaire will be needed.

# 11. Occupation Guidelines

# **Occupation ratings**

AIA Australia has nine classes of occupations as outlined below. The occupation classifications are based on the actual duties performed, not the 'job title', therefore a full description of all duties performed should be provided in the application or when discussing an occupation with an Underwriter to determine the correct occupation category.

If your client has a second occupation, the occupation category applicable may be based on the more 'hazardous' occupation, depending on the nature and extent of involvement in the second job. The income however is not usually included in determining the monthly benefit available. E.g. An applicant works 30 hours a week as a qualified motor mechanic, and also works 20 hours a week as a landscape gardener. In this case the occupation category quoted should be category D not C.

Code	Characteristics of occupation category
AAA	Professionals, executives and senior management with tertiary qualifications and high incomes e.g. lawyers, barristers, CEOs
AA	Medical professionals e.g. doctors, dentists, psychiatrists
А	White collar occupations involving clerical and administrative work in an office environment only
В	Occupations not classified as white collar and may involve some light manual work e.g. shopkeepers, hairdressers, beauticians
С	Fully qualified skilled tradespeople e.g. qualified electricians, chefs, mechanics
D	Unskilled manual workers e.g. fencing contractor, plasterers, cleaners
Е	Heavy manual workers e.g. concreters, carpet layers, earthmoving workers
IC	Individual Consideration (further information needed)
NA	Not Available

# Section C - Premiums and Premium Discounts

# 1. Multi-plan discounts\*

If your client is the life insured under multiple plans and at least 2 of these plans have premiums of \$500 or more per year, the plans will be eligible for a multi-plan discount as outlined in the table below:

Number of plans with premiums \$500 or more per year.	Premium discount
3 or more plans	10%
2 plans	5%
1 plan	Nil

This discount does not apply to any policy fee that applies to your client's policy. If your client qualifies for a multi-plan discount, the discount will apply to all plans under the policy, including plans with premiums of less than \$500 per year.

If a policy includes two qualifying plans a 5% premium discount will apply; if a policy includes three or more qualifying plans a 10% premium discount will apply.

The minimum yearly premium of \$500 will apply to stepped, optimum and level premium cases for qualification purposes.

A plan may change from being a non-qualifying plan to a qualifying plan as a result of the premium increasing due to a CPI increase (stepped, optimum and level premium bases), an increase in the age of the life insured (stepped and optimum premium bases), the addition of a new benefit or the voluntary increase in a benefit at the next policy anniversary. Conversely, the deletion of a benefit from a qualifying plan or the voluntary decrease in a benefit under a qualifying plan may result in the plan being re-classified as a non-qualifying plan.

Where the addition or deletion of a benefit or the voluntary increase or decrease in a benefit occurs during a policy year and results in a change to the plan's qualifying status, then the multiplan discount will change from the effective date of the change in benefit (e.g. the voluntary increase in a benefit or the addition of a new benefit).

We can vary at any time the rules for this premium discount, including the discount percentages, for both new policies and policies in-force at the time of variation.

\*Multi-plan discounts will apply across multiple policies where they are Priority Protection policies issued after 1 December 2008.

# 2. Qualifying plans

The multi-plan discount applies to the following qualifying plans:

- Life Cover Plan
- Crisis Recovery Stand Alone Plan
- Income Protection Plan
- Business Expenses Plan
- Superannuation Life Cover Plan
- Superannuation Income Protection Plan

Please note: the multi-plan discount can be applied to a benefit such as the Accidental Death benefit or the Total and Permanent Disablement Stand Alone benefit under the Life Cover Plan even if the Life Cover benefit isn't purchased.

The multi-plan discount **doesn't** apply to the following:

 When two or more of the same qualifying plan are purchased with the same life insured e.g. Two Life Cover Plans each with a Life Cover sum insured of \$500,000 on the same life insured are treated as one qualifying plan and not two. Please note: the premiums are combined to determine eligibility for the multiplan discount if other possible qualifying plans are applied for.

In eApp® Express software there is an option to select a number in the No. of Other Qualifying Plans field.

The No. of Other Qualifying Plans allows the user to apply a discount if the client has an existing Priority Protection policy that commenced on or after 1 December 2008.

The qualifying criteria, a premium greater than \$500 per year for at least 2 of the plans, must be met in order for the discount to be applicable.

# 3. Premiums

The premiums your client pays may depend on their age, sex, smoking status, occupation category, pastimes, waiting and benefit periods and state of health. If your client is purchasing the Family Protection benefit, their premiums will depend on the child's age.

# 4. Premium bases

When applying for cover your client can select from one of three premium bases.

Stepped	Your client's premiums will increase at each policy anniversary in line with their age until the benefit expiry date.
Level	Your client's premiums will remain constant each year up to the latest policy anniversary date prior to their 65th birthday or expiry date of benefit if earlier.  After this time, their premiums may continue on a stepped premium basis until the benefit expiry date.
Optimum	Your client's premiums will commence on a stepped basis and automatically convert to the level basis once the stepped premium is greater than the level premium. Level premiums will remain constant each year up to their 65th birthday or expiry date of benefit if earlier. This option is available only when the life insured is age 35 years next birthday or older.  A loading according to your client's age at inception of their optimum premium basis will be charged up until their 65th birthday.

If your client wishes to alter from stepped to level premium basis and maintain their current sum insured, please submit the following requirements to our New Business department:

- Sections A, B, C, D and G 1(a) of the current Application
- Adviser Declaration
- Life Insured Declaration (Section X)
- A Direct Debit Authority and where applicable, Private/Self-Managed Superannuation Fund or AIA Superannuation Fund – Membership Application (sections V or W)
- A signed quote.

# 5. Minimum premium

The minimum premium is \$300 per year per policy. This includes the premium for all benefits chosen, the policy fee, any premium frequency charge and any stamp duty.

# 6. Initial selection discount

All policies purchased on a stepped premium basis will receive a discount for the first 2 years of the policy.

Year 1	6%
Year 2	3%
Year 3 onwards	0%

# 7. Large sum insured discount

Your client may be eligible for a premium discount at the time the policy is taken out.

If your client adds a new benefit at a later stage, and is eligible for a large sum insured discount, the discount will only apply to the new henefit

Please note that a large sum insured discount does not apply to the policy fee or other charges.

To find out if your client is eligible, please refer to the tables below.

#### Life Cover and Term Cover benefit

The discounts below apply to the Life Cover and Term Cover benefits only.

The same large sum insured discounts will apply to the Claim Escalation benefit, PLUS Optional benefit, Advantage Optional benefit, Day 1 Accident benefit and Incorporated Business Expenses when selected.

Please note that the large sum insured discount is automatically calculated on the eApp® Express software.

# 8. AIA Vitality Premium Discounts and Cashbacks

If the life insured under your client's policy is a member of AIA Vitality, the premium in relation to their policy may be discounted and they may receive a premium cashback.

Whether the premium is discounted and whether your client receives a cashback as well as the extent of that discount or cashback will depend on AIA Australia's rules that govern such discounts and cashbacks, the life insured's activity and the terms and conditions of AIA Vitality. Not all lives insured, types of premiums or Plans may be eligible for AIA Vitality membership or discounts or cashbacks. Fees and charges may apply to AIA Vitality membership. The AIA Vitality Premium Adjustment Rules as at the date of this Adviser Guide are set out on page 49. The AIA Vitality Premium Adjustment Rules may change from time to time. Please refer to aiavitality.com.au for the most up to date version. AIA Australia may vary or withdraw the rules from time to time. The premium discounts and cashbacks are not guaranteed. The policy owner will be required to pay fees associated with AIA Vitality on behalf of the life insured (in respect of the Ordinary Plans where the policy owner is a natural person), unless otherwise agreed with AIA Australia and to the extent permitted by law.

For Superannuation Plans, membership of AIA Vitality will need to be established and paid for by the life insured outside the fund. and cashbacks do not apply (although further premium reductions may be granted in accordance with AIA Australia's rules).

# 9. Lifestyle Advantage

AIA Australia is now offering a 10% discount to those applicants who meet certain criteria indicating they have excellent health and a lifestyle supporting this.

In addition to the normal application questions AIA Australia asks up to 9 extra questions to further assess a person's lifestyle.

Life/Crisis/TPD Questions	Rationale
Non Smokers only – Have you ever smoked? Yes When did you cease?	We want to be sure that anyone who has smoked is highly unlikely to take it up again, we need a 5 year smoke free history.
How many did you smoke?	Anyone who has smoked heavily in the past is likely to have done permanent damage.
If drinking 5 to 10 alcoholic drinks per week – on average how many days per week do you drink?	Moderate drinking is not damaging and current recommendation is to have at least 2 alcohol free days per week.
Within the past 10 years has your driving licence been suspended or disqualified?	Speeding and drink driving increases the chance of accident.
In the past 5 years have you engaged in abseiling, aviation (other than as a fare paying passenger), scuba diving, motor racing, hang gliding, parachuting, power boat racing or mountaineering?	Hazardous sports increase the chance of accident resulting in disability or death.

TPD Questions	Rationale
In the past 2 years have your work duties been restricted or modified for more than 10 days due to sickness or injury?	Is there anything in a person's recent history that may cause disablement?
On average do you drive more than 30,000 km for business per annum?	Statistics show that people driving more than 30,000 km per annum for business are a greater accident risk.
In the past 5 years have you engaged in any form of contact sports (e.g. football, martial arts)?	Contact sports increase the accident/injury risk. We want to be sure anyone who has participated in such sports in the past is highly unlikely to take them up again.

Your clients must meet the following requirements:

Occupation class	AAA, AA and A
Premium type	Optimum and Level premiums only. Stepped premium is excluded.
Loadings	The policy must be accepted at Standard Rates. No loadings, no exclusions, no rateable occupations and no participation in hazardous sports and none anticipated in the future.
Minimum premium	\$330 per annum (for the policy before the discount is applied).
Minimum Sum Insured	\$250,000 for each eligible benefit selected. See table above.
Exclusions	The discount will exclude the policy fee.
Personal Statement	The applicant must complete a Personal Statement via eApp® Express.

# 10. Payment of premiums

Premiums can be paid monthly, half-yearly or yearly. Premium payments (including policy fee) made more frequently than yearly are subject to a premium frequency charge.

Premium payment frequency	Charge as a percentage of yearly premium
Yearly	0%
Half-yearly	5%
Monthly	8%

# 11. Premium payment methods

Your client can pay their premiums by MasterCard, Visa Card, Diners Card and American Express or via Direct Debit from their financial institution. BPAY and POSTbillpay are available for future half-yearly and yearly premium payments only. The deposit premium must be paid in advance and submitted together with the application form.

# 12. Guarantee of continuation for level premium

Life Cover Plan, Crisis Recovery Stand Alone Plan and Superannuation Life Cover Plan – This guarantee applies only to benefits continuing beyond the life insured's 65th birthday. Where the policy has remained in force to the latest policy anniversary prior to the life insured's 65th birthday, these benefits (excluding the Accidental Death, Needlestick Injury and Family Protection benefits) will continue on a stepped premium basis until the expiry date of the benefit. The stepped premium will reflect the life insured's age at each policy anniversary, sex and smoking status and original terms of acceptance of the benefits. For the Accidental Death, Needlestick Injury and Family Protection benefits, premiums will instead continue on a level premium basis until the expiry date of the benefit.

# 13. Premium guarantees

The premium rates under the policy are guaranteed for at least one year. We guarantee that any increase or reduction in a table of stepped or level premium rates will not take effect in respect of a benefit until the first anniversary of the policy commencement date or the next policy anniversary following the latest increase or reduction in the table of premium rates for that benefit, if later. Notwithstanding the 1-year premium rates guarantee, the premiums may be varied from time to time. Different premium rates apply to males and females, to smokers and non-smokers and to different occupations. The premium rates for Priority Protection allow for the cost of insurance and our expenses, including commission payable to an adviser.

Premium rates may not be altered individually but only for all policies in a group. Your client's policy cannot be singled out for an increase.

# 14. Policy fee

The policy fee is currently \$72 per year per life insured regardless of the number of plans, benefits or policies purchased.

This fee is charged in addition to the premiums applicable per benefit and any other fees and charges that apply to your client's policy.

# 15. Government stamp duty

Stamp duty is an additional charge under the Crisis Recovery Stand Alone Plan, Income Protection Plan (Agreed Value or Indemnity), Business Expenses Plan and the Total & Permanent Disablement Stand Alone benefit under the Life Cover Plan and the Superannuation Life Cover Plan.

Stamp duty is a government charge that varies depending on the state/territory of residence of the life insured.

Stamp duty is calculated as a percentage of the total premium, including the policy fee and any premium frequency charge. The government may change the rate of stamp duty from time to time.

In Western Australia and South Australia stamp duty is charged on all benefits other than Life Cover and Term Cover.

# 16. AIA Vitality Premium adjustment rules

The AIA Vitality Premium adjustment rules as at the date of this Adviser Guide are set out below. The AIA Vitality premium adjustment rules may change from time to time. Please refer to aiavitality.com.au for the most up to date version. Where the life insured under a Priority Protection or Priority Protection for Platform Investors policy (Policy) is a member of AIA Vitality at the time that a premium becomes payable in relation to that Policy (Premium), AIA Australia Limited (AIA Australia) will adjust the Premium or will pay the policy owner a Cashback benefit in accordance with the rules set out in the AIA Vitality premium adjustment rules available at aiavitality.com.au. The premium adjustments and the Cashback benefits are not guaranteed. AIA Australia may vary or withdraw these rules at any time.

#### General

In this document a Lump Sum Benefit means a benefit under your Policy (or under an insurance policy that was cancelled and replaced by the Policy, where the terms of the benefit and sum insured have not changed following the cancel-and-replace process) that provides for one lump sum benefit payment. Please refer to the 'Lump Sum Benefits' Section of these Rules for further information.

In this document Income Stream Benefit means a benefit under your Policy (or under a policy that was cancelled and replaced by the Policy, where the terms of the benefit and sum insured have not changed following the cancel-and-replace process) that provides for periodic income stream benefit payments. Income Stream Benefits include income protection, business expenses or incorporated business expenses benefits. For the avoidance of doubt, Income Stream Benefits are not Lump Sum Benefits and will be subject to different rules. Please refer to the 'Income Stream Benefits' Section of these Rules for further information.

#### **Lump Sum Benefits**

#### **Initial Discount**

- 1) The Premiums that you would otherwise be required to pay from your first Premium due date (if your Policy is a new Policy and the life insured has become a member of AIA Vitality) or from your next Premium due date after the life insured under your Policy becomes a member of AIA Vitality (if you have an existing Policy) will be discounted by an amount of Initial Discount if the life insured under your Policy remains a member of AIA Vitality throughout the year. until:
  - a) In the case of Premiums that are paid monthly (provided that the Initial Discount is applied for more than 90 days), half-yearly or annually, the next Policy anniversary after the Initial Discount is first applied; or
  - b) In the case of Premiums that are paid monthly (if at the next Policy anniversary the Initial Discount has not applied for more than 90 days), the second Policy anniversary after the Initial Discount is applied.
- 2) If, within 21 days of the AIA Vitality application, the life insured does not meet the eligibility and registration requirements including if we do not receive a valid unique email address and/or if we do not receive payment details and the first payment for AIA Vitality and/or or any other information required to administer the AIA Vitality membership, the AIA Vitality membership will not be activated and the Initial Discount will not apply. You will be required to pay us the amount of any Initial Discount applied to your policy.
- 3) The Initial Discount in respect of a Policy is an amount equal to the Lump Sum Initial Discount. The Lump Sum Initial Discount is an amount equal to the Lump Sum Initial Discount **Percentage** (7.5%) multiplied by the total Premiums referable to Lump Sum Benefits that are payable in the year of the Policy to which the Initial Discount is applied.
- 4) Unless otherwise specifically indicated in these Rules:
  - a) If a Policy lapses or is cancelled prior to a Policy anniversary and is reinstated or a new Policy is issued prior to that Policy anniversary with AIA Vitality, these Rules apply as if the Policy did not lapse or was not

- cancelled. In particular, the discount that applied on the day prior to lapse or cancellation will apply until that Policy anniversary; or
- b) If an AIA Vitality membership is terminated prior to a Policy anniversary and the life insured becomes a member of AIA Vitality again prior to that Policy anniversary, these Rules apply as if the AIA Vitality membership was not terminated. In particular, the discount that applied on the day prior to termination will apply until that Policy anniversary.
- 5) In the following circumstances, we may, at our discretion, adjust the amount of the Initial Discount up or down to the level of any Premium Flex discounts (if any) that we previously applied in respect of any other insurance policy:
  - a) Where an earlier Policy lapses or is cancelled prior to a Policy anniversary and is reinstated or a new Policy is issued after that Policy anniversary;
  - b) Where an earlier Policy lapses or is cancelled prior to a Policy anniversary and is reinstated or a new Policy is issued prior to that Policy anniversary but the life insured does not become a member of AIA Vitality again until after that Policy anniversary;
  - c) Where an AIA Vitality membership is terminated prior to a Policy anniversary and the life insured becomes a member of AIA Vitality again after that Policy anniversary; or
  - d) Where the Policy replaces an earlier insurance Policy as part of a cancel-and-replace process.
- 6) For the avoidance of doubt, only one Initial Discount will be paid in respect of a Policy under these Rules.

#### **Premium Flex**

- 1) The Premiums that you would otherwise be required to pay from the time that the Initial Discount stops being applied
  - a) In the case of Premiums that are paid monthly (provided that the Initial Discount is applied for more than 90 days), half-yearly or annually, the next Policy anniversary after the Initial Discount is first applied; or
  - b) In the case of Premiums that are paid monthly (if at the next Policy anniversary the Initial Discount has not applied for more than 90 days), the second Policy anniversary after the Initial Discount is applied.
  - will be discounted by an amount of **Premium Flex Discount** if the Policy is in-force and unless otherwise specifically indicated in these Rules, the life insured under your Policy was an AIA Vitality member at the most recent Policy anniversary before premium flex was first applied (except in relation to the first Policy anniversary on which the premium flex is being applied) and remains an AIA Vitality member on the Policy anniversary when the Premium Flex is first applied.
- 2) The amount of Premium Flex Discount in respect of a Premium is equal to the amount of the Lump Sum Premium Flex Discount and the amount of the Income Stream Premium Flex Discount for that Premium. Please refer to the 'Income Stream Benefits' section of this document for further information on the Income Stream Premium Flex Discount.

- 3) The amount of the Lump Sum Premium Flex Discount for a Premium is equal to the proportion of that Premium referrable to all Lump Sum Benefits multiplied by the relevant Applicable Percentage.
  - a) The Applicable Percentage referrable to the first Premium on which the Lump Sum Premium Flex Discount is applied is the Initial Discount Percentage (7.5%) (provided in the case of Premiums that are paid monthly that the Initial Discount is applied for more than 90 days).
  - b) For the purposes of calculating a Lump Sum Premium Flex Discount for a Premium, the Applicable Percentage is equal to the Applicable Percentage that applied on the previous Policy anniversary increased by the absolute Percentage Change (if the Percentage Change is positive) or decreased by the absolute Percentage Change (if the Percentage Change is negative) in accordance with the following table based on the life insured's AIA Vitality Status on that Policy anniversary.

AIA Vitality Status	Percentage Change	Maximum Discount
Bronze	-1.50%	20%
Silver	-0.75%	20%
Gold	-0.00%	20%
Platinum	+1.00%	20%

- 4) For the avoidance of doubt, a negative Percentage Change means that the Applicable Percentage is decreased by the Percentage Change relative to the Applicable Percentage that applied on the previous Policy anniversary and a positive Percentage Change means that the Applicable Percentage is increased by the Percentage Change relative to the Applicable Percentage that applied on the previous Policy anniversary.
  - For example, if the Applicable Percentage was 7.5% on the last Policy anniversary and, a year later, the life insured's AIA Vitality status is Platinum, the Applicable Percentage will be increased to 8.5%.
- 5) The Premiums relating to Lump Sum Benefits cannot be discounted by more than the applicable Maximum Discount, based on the life insured's AIA Vitality status as set out in the table above.
- 6) Where:
  - a) you paid us a Premium in respect of a period; and
  - b) subsequently, there is a change in circumstances (e.g. there is a change in the life insured's AIA Vitality status or we determine that a discount should have been applied to that Premium in accordance with these Rules) that would result in the Premium in respect of that period being reduced further.

we may choose to carry the discount forward and reduce your next Premium by the difference between the Premium in (a) above and the lower Premium in (b) above.

- 7) Unless otherwise specifically indicated in these Rules:
  - a) If a Policy lapses or is cancelled prior to a Policy anniversary and is reinstated or a new Policy is issued prior to that Policy anniversary with AIA Vitality, these Rules apply as if the Policy did not lapse or was not cancelled. In particular, the premium flex discount that applied on the day prior to lapse or cancellation will apply until that Policy anniversary; or
  - b) If an AIA Vitality membership is terminated prior to a Policy anniversary and the life insured becomes a member of AIA Vitality again prior to that Policy anniversary, these Rules apply as if the AIA Vitality membership was not terminated. In particular, the premium flex discount that applied on the day prior to termination will apply until that Policy anniversary.

# **Premium Discounts Generally**

If you change the frequency of your Premium payments in relation to your Policy with us, the Premium discounts you are entitled to may change. We will determine any Premium discount changes reasonably in accordance with internal business rules. Any Premium changes will remain at our sole discretion.

If your Policy replaced one or more eligible insurance policies under a cancel-and-replace process as agreed by us (Prior **Policies**), the Premium Discounts you are entitled to may change. We will determine any Premium discount changes reasonably in accordance with internal business rules. Any Premium changes will remain at our sole discretion.

# Cashback Benefit and Five Year Discount

- 1) For the purposes of this section:
  - a) A Yearly Cashback Contribution or a Five Year Discount **Contribution** in respect of a year means the amount of Premiums that you actually paid under your Policy in respect of all Lump Sum Benefits for that year commencing at Policy anniversary multiplied by the following percentage:
    - i) 2%, where the life insured's AIA Vitality status was Bronze at the end of that policy year;
    - ii) 4%, where the life insured's AIA Vitality status was Silver at the end of that policy year;
    - iii) 8%, where the life insured's AIA Vitality status was Gold at the end of that policy year; or
    - iv) 10%, where the life insured's AIA Vitality status was Platinum at the end of that policy year.
- 2) Subject to the other Rules in this section, if you are a natural person and your Policy is an ordinary money policy (i.e. a policy that does not include the Superannuation Life Cover Plan, Superannuation Income Protection Plan or any other plans owned by a superannuation trustee), you will be entitled to an applicable Cashback Benefit on every fifth Policy anniversary following the policy issue date (if AIA Vitality is taken out at the same time as the Policy it is associated with) and on every fifth Policy anniversary following the first Policy anniversary after the life insured's commencement of AIA Vitality (if AIA Vitality is associated with a Policy which was existing at the time AIA Vitality was taken out). Each Cashback Benefit will relate to the five years preceding the Policy anniversary on which it is paid. The Cashback Benefit

- represents a rebate of a component of Premium previously paid in respect of your Policy due to the life insured's period of membership. A Cashback Benefit will only be paid if the life insured under the Policy was an AIA Vitality member throughout the period to which that Cashback Benefit relates. Subject to these Rules, the Cashback Benefit will be equal to the total of Yearly Cashback Contributions in respect of each of the five consecutive policy years preceding the Policy anniversary on which the Cashback Benefit is paid.
- 3) Subject to the other Rules in this section, if you are not a natural person or if you own your Policy in your capacity as a superannuation trustee, on every fifth Policy anniversary following the policy issue date (if AIA Vitality is taken out at the same time as the Policy it is associated with) and on every fifth Policy anniversary after the life insured's commencement of AIA Vitality (if AIA Vitality is associated with a Policy which was existing at the time AIA Vitality was taken out), you will be entitled to a Premium reduction on the Premium you would otherwise be required to pay by the amount of the applicable Five Year Discount. Each Five Year Discount will relate to the five years preceding the Policy anniversary on which it is applied if the life insured under the Policy was an AIA Vitality member throughout the period to which that Five Year Discount relates. The Five Year Discount represents a rebate of a component of Premium previously paid in respect of your Policy due to the life insured's period of membership. Subject to these Rules, the Five Year Discount will be equal to the total of all Five Year Discount Contributions in respect of each of the five consecutive years preceding the Policy anniversary on which the Five Year Discount is applied. Due to the timing of Premium notifications and Five Year Discount calculations, we will usually carry the Five Year Discount forward and apply it to your next Premium. See the section "Discounts may sometimes be carried forward" section for further information.
- 4) You will not be eligible for a Cashback Benefit or a Five Year Discount if your Policy is not in-force (eg it is in a lapsed state) at the time when we would otherwise pay you the Cashback Benefit or would otherwise apply the Five Year Discount in accordance with these Rules.
- 5) Your eligibility for a Cashback Benefit or a Five Year Discount will not be affected merely because your Policy lapsed and was subsequently reinstated during the five years before we would otherwise pay you the Cashback Benefit or would otherwise apply the Five Year Discount in accordance with these Rules.
- 6) If AIA Vitality is terminated (including due to lapse) and then reinstated more than 12 months after the date of termination, you will not be entitled to a Cashback Benefit or Five Year Discount for the period prior to reinstatement, We will pay you an applicable Cashback Benefit or reduce the Premium you would otherwise be required to pay on every fifth Policy anniversary following the first Policy anniversary after the date of reinstatement in accordance with these Rules.
- 7) If your Policy replaced one or more eligible insurance policies under a cancel-and-replace process as agreed by us (Prior Policies), then the amount of the first Cashback Benefit or Five Year Discount under the Policy will include the total **Prior** Yearly Cashback Contributions or the total Prior Five Year

Discount Contributions (as the case may be) for each of the Prior Policies determined as follows:

- a) A Preceding Year is a year (ending on an anniversary of the commencement of the Prior Policy) that occurred prior to the commencement of the Policy where, during that year and at the end of that year, the Prior Policy was in-force and the person who was the life insured under the Prior Policy (and who is now the life insured under the Policy) was an AIA Vitality member. However, any year preceding the commencement of the Prior Policy or preceding the application of the most recent Cashback Benefit or Five Year Discount under the Prior Policy (whichever is most recent) is not a Preceding Year.
- b) A Prior Yearly Cashback Contribution or a Prior Five Year Discount Contribution in respect of a Preceding Year means the amount of Premiums that was paid under the Prior Policy in respect of all lump sum benefits under the Prior Policy for that year multiplied by the following percentage:
  - i) 2%, where the life insured's AIA Vitality status was Bronze at the end of that Preceding Year;
  - ii) 4%, where the life insured's AIA Vitality status was Silver at the end of that Preceding Year;
  - iii) 8%, where the life insured's AIA Vitality status was Gold at the end of that Preceding Year; or
  - iv) 10%, where the life insured's AIA Vitality status was Platinum at the end of that Preceding Year.
- c) The amount of the first Cashback Benefit or first Five Year Discount under the Policy will include the total of any Prior Yearly Cashback Contributions or Prior Five Year Discount Contributions.
- 8) If your Policy replaced one or more Prior Policies under a cancel-and-replace process as agreed by us then the first Cashback Benefit or Five Year Discount under the Policy will be the same as the next Cashback Benefit or Five Year Discount that would have been applicable under the Prior Policy that had been accumulating Yearly Cashback Contributions or Five Year Discount Contributions for the least amount of time.

#### **Income Stream Benefits**

#### **Premium Flex**

- 1) The Premium that you would otherwise be required to pay from the next Policy anniversary after the life insured under your Policy becomes a member of AIA Vitality (provided that the life insured has been a member of AIA Vitality for more than 90 days) will be discounted by an amount of Premium Flex Discount if the Policy is in-force and unless otherwise specifically indicated in these Rules, the life insured under your Policy was an AIA Vitality member at the most recent Policy anniversary before premium flex was first applied (except in relation to the first Policy anniversary on which the premium flex is being applied) and remains an AIA Vitality member on the Policy anniversary when the premium flex is first applied.
- 2) The amount of Premium Flex Discount in respect of a Premium is equal to the amount of the Lump Sum Premium Flex Discount and the amount of the Income Stream Premium

- Flex Discount for that Premium. Please refer to the 'Lump Sum Benefits' section of this document for further information on the Lump Sum Premium Flex Discount.
- 3) The amount of the Income Stream Premium Flex Discount for a Premium is equal to the proportion of that Premium referrable to all Income Stream Benefits payable on that Policy anniversary multiplied by the relevant Applicable Percentage.
  - a) The Applicable Percentage referrable to the first premium on which the Income Stream Premium Flex Discount is applied is 0.0% (provided in the case of Premiums that are paid monthly that the Initial Discount is applied for more than 90 days).
  - b) For the purposes of calculating the Income Stream Premium Flex Discount for a Premium, the Applicable Percentage is equal to the Applicable Percentage that applied on the previous Policy anniversary increased by the absolute Percentage Change (if the Percentage Change is positive) or decreased by the absolute Percentage Change (if the Percentage Change is negative) in accordance with the following table based on the life insured's AIA Vitality Status on that Policy anniversary.
  - c) Where the Applicable Percentage that applied on the previous Policy anniversary was greater than the Maximum Discount based on the life insured's AIA Vitality Status at the current Policy anniversary in accordance with the following table, then the Applicable Percentage at the current Policy anniversary will be the greater of:
    - i) the Applicable Percentage that applied on the previous Policy anniversary less 1%; and
    - ii) the Maximum Discount based on the life insured's AIA Vitality Status at the current Policy anniversary.

AIA Vitality Status	Percentage Change	Maximum Discount
Bronze	0.00%	0%
Silver	+0.50%	5%
Gold	+1.00%	10%
Platinum	+2.00%	15%

# 4) Where:

- a) you paid us a Premium in respect of a period; and
- b) subsequently, there is a change in circumstances (e.g. the life insured joins AIA Vitality, there is a change in the life insured's AIA Vitality status or we determine that a discount should have been applied to that Premium in accordance with these Rules) that would result in the Premium in respect of that period being reduced further,
- we may choose not to recalculate your Premium and may instead carry the discount forward and reduce your next Premium by the difference between the Premium in (a) above and the lower Premium in (b) above.
- 5) Unless otherwise specifically indicated in these Rules:
  - a) If a Policy lapses or is cancelled prior to a Policy anniversary and is reinstated or a new Policy is issued prior to that Policy anniversary with AIA Vitality, these

- Rules apply as if the Policy did not lapse or was not cancelled. In particular, the premium flex discount that applied on the day prior to lapse or cancellation will apply until that Policy anniversary; or
- b) If an AIA Vitality membership is terminated prior to a Policy anniversary and the life insured becomes a member of AIA Vitality again prior to that Policy anniversary, these Rules apply as if the AIA Vitality membership was not terminated. In particular, the premium flex discount that applied on the day prior to termination will apply until that Policy anniversary.

#### **Premium Discounts Generally**

If you change the frequency of your Premium payments in relation to your Policy with us, the Premium discounts you are entitled to may change. We will determine any Premium discount changes reasonably in accordance with internal business rules. Any Premium changes will remain at our sole discretion.

If your Policy replaced one or more eligible insurance policies under a cancel-and-replace process as agreed by us (Prior **Policies**), the Premium Discounts you are entitled to may change. We will determine any Premium discount changes reasonably in accordance with internal business rules. Any Premium changes will remain at our sole discretion.

### **Examples**

#### Scenario 1:

# AIA Vitality is associated with an eligible insurance policy from policy inception

John purchases an eligible insurance policy insuring himself for a life cover benefit (\$600 p.a. level Premium) and an income protection benefit (\$1,200 p.a. level Premium). John would ordinarily need to pay \$1,800 p.a. to keep his Policy going.

John decides to join AIA Vitality at the same time that he applies for his Policy. John's initial AIA Vitality status is Bronze.

### At policy inception:

John will receive an Initial Discount equal to 7.5% discount on his life cover benefit Premiums for the first year. His total initial yearly Premium will therefore be.

$$600 \times (100\% - 7.5\%) + 1,200 = 5555 + 1,200 = 1,755.$$

John becomes a Silver AIA Vitality Member by the first Policy anniversary.

# On the first Policy anniversary

John will receive a Lump Sum Premium Flex Discount of 6.75% (7.5% – 0.75%) on his life cover Premium and an Income Stream Premium Flex Discount of 0.5% (0 + 0.5%) on his income protection Premium. The Premium due on the first Policy anniversary will therefore be:

John progresses to Gold AIA Vitality status by the second Policy anniversary.

#### On the second Policy anniversary

John will receive a Lump Sum Premium Flex Discount of 6.75% (6.75% – 0%) on his life cover Premium and an Income Stream Premium Flex Discount of 1.5% (0.5% + 1%) on his income protection Premium. The Premium due on the second Policy anniversary will therefore be:

John becomes a Platinum AIA Vitality member by the third Policy anniversary and remains at Platinum for the next three years.

# On the third Policy anniversary

John will receive a Lump Sum Premium Flex Discount of 7.75% [6.75% + 1%] on his life cover Premium and an Income Stream Premium Flex Discount of 3.5% (1.5% + 2%) on his income protection Premium. The Premium due on the third Policy anniversary will therefore be:

# On the fourth Policy anniversary

John will receive a Lump Sum Premium Flex Discount of 8.75% (7.75% + 1%) on his life cover Premium and an Income Stream Premium Flex Discount of 5.5% (3.5% + 2%) on his income protection Premium. The Premium due on the fourth Policy anniversary will therefore be:

# On the fifth Policy anniversary

John will receive a Lump Sum Premium Flex Discount of 9.75% [8.75% + 1%] on his life cover Premium and an Income Stream Premium Flex Discount of 7.5% (5.5% + 2%) on his income protection Premium. The Premium due on the fifth Policy anniversary will therefore be:

John will also receive a Cashback of:

This example assumes that Premiums would otherwise remain level under John's policy and that John otherwise remains eligible to receive the discounts and cash-backs discussed in this example.

#### Scenario 2:

# AIA Vitality is associated with an eligible insurance policy after policy inception

Jane insures herself under three different eligible insurance policies with AIA Australia including a life cover policy (Lump Sum Benefit), an income protection policy (Income Stream Benefit) and a crisis policy (Lump Sum Benefit). Jane took out each of the policies at different times and pays her premiums at different frequencies.

The policy details are as follows:

- Life cover policy anniversary date of 1 July and Jane pays the premiums monthly
- Income protection policy anniversary date of 1 September and Jane pays the premiums monthly
- Crisis policy anniversary date of 1 September and Jane pays the premiums annually

Jane decides to join AIA Vitality and her AIA Vitality membership commences on 2 May 2014. Jane's initial AIA Vitality status is Bronze.

#### **Initial discount**

Jane is entitled to an initial 7.5% discount on her life cover policy and her crisis policy as these are both Lump Sum Benefits. Jane will not be entitled to an initial discount on her income protection policy as Income Stream Benefits do not receive initial discounts.

Jane's initial discount will take effect from her next Premium due date on each of her life cover policy and her crisis policy (being her next monthly premium on her life cover policy and her next annual premium on her crisis policy).

#### **Premium Flex**

On 1 July 2014, Jane's life cover policy goes through policy anniversary. As Jane would have been entitled to an initial discount for this policy for less the 90 days (from the next premium due date to policy anniversary), Jane will continue to get the initial discount for another policy year. On 1 July 2015, Jane will be entitled to a premium flex discount on her life cover policy.

On 1 September 2014, Jane's income protection policy goes through policy anniversary. Jane will be entitled to a premium flex discount on her income protection policy as she has been an AIA Vitality member for longer than 90 days.

Jane's crisis policy also goes through policy anniversary on 1 September 2014. As Jane pays her crisis policy annually, she will be entitled to an initial discount of 7.5% on her next premium due date and will enjoy that discount until her next policy anniversary (being 1 September 2015) when she will be entitled to a premium flex discount.

#### **Cashback Benefit and Five Year Discount**

As Jane is a natural person and her policies are ordinary money policies (i.e. policies that do not include the Superannuation Life Cover Plan, Superannuation Income Protection Plan or any other plans owned by a superannuation trustee), Jane will be entitled to a Cashback Benefit (rather than a Five Year Discount) on Jane's Lump Sum Benefit policies (being her life cover policy and her crisis policy). Jane will not be entitled to a Cashback Benefit on her income protection policy as Income Stream Benefits do not receive Cashback Benefits.

Jane will start to accumulate Yearly Cashback Contributions for her life cover policy on 1 July 2014 and for her crisis policy on 1 September 2014.

As Jane has remained an AIA Vitality member since 2 May 2014 and her policies are still in-force, she will be entitled to a Cashback Benefit on each of her life cover policy and her crisis policy. The Cashback Benefits will be paid no earlier than 45 days after the fifth Policy anniversary following the first Policy anniversary after Jane became an AIA Vitality member (being 2 May 2014).

Jane will receive a Cashback Benefit for her life cover policy no earlier than 15 August 2019 (being 45 days after 1 July 2019).

Jane will receive a Cashback Benefit for her crisis policy no earlier than 16 October 2019 (being 45 days after 1 September 2019).

# Section D - Modified Underwriting (Takeover Terms)

# For the replacement of policies within the parameters below.

Your client's existing policy/policies with another insurer must be for the same cover and must have been fully underwritten (previous application form and standard health and medical evidence requirements), within the last 5 years.

• The Modified Underwriting (Takeover Terms) form is to be used to transfer insurance cover from another insurance provider to one of AIA Australia's Priority Protection insurance plans.

# 2. Replacement Policy FAQ

#### 1. What is a Replacement Policy?

A Replacement Policy is issued when the policyholder decides to cancel or terminate an existing AIA policy that has been in-force for less than 10 years and to replace it with a new AIA policy that provides a similar level of cover.

The issue date of the Replacement Policy must be earlier than the cancelation or termination date of the policy being replaced (i.e. 'old policy').

(Please refer to Item 4 for examples.)

### 2. Who decides it is a Replacement Policy?

AIA Australia's Underwriting Department will decide if a particular policy is a 'Replacement Policy'. The Adviser Remuneration Team ('ART') will be notified of this decision and commissions will be adjusted accordingly.

### 3. How do commission rules apply to a Replacement Policy?

If the old policy has been in-force for less than 12 months, any new business commission paid on the old policy will be clawed back and new business commission will be paid on the Replacement Policy.

If the old policy has been in-force for at least 12 months the commission payable on the Replacement Policy will be as follows:

	New Business Commission	Renewal Commission
Old policy in-force > 10 years	<b>✓</b>	Normal renewal commission rules will apply from year 2 onwards
Old policy in-force <10 years	X	Only renewal commission will be paid

New business commission, where payable, will be paid on the premium for the new policy.

The new business commission rate applicable will be the Year 1 rate for the commission type (i.e. Upfront, Hybrid or Level) and the Premium Discount level chosen (refer Table 1 overleaf).

The renewal commission rate applicable will generally be the Year 2+ rate for the commission type (i.e. Upfront, Hybrid or Level) and the Premium Discount level chosen (refer Table 1 overleaf). If the +5% Premium Discount level is chosen the renewal commission rate will be the Year 3+ rate for the commission type (i.e. Upfront, Hybrid or Level) chosen (refer Table 1 overleaf).

If the sum insured of the Replacement Policy is equal to or lower than the sum insured of the old policy, only renewal commission will be payable for the new policy.

#### 4. Examples - Calculating Replacement Policy Commission

In the following four examples it has been assumed that the old policy being replaced has been in-force for at least 12 months. Please note, 'Term Life' is now referred to as 'Life Cover'.

Example 1: Sum insured for new policy (Replacement Policy) and old policy are exactly the same.

Old Policy 'A'	New Policy 'B'
Term Life = \$100,000	Life Cover = \$100,000

If the old policy has been in-force for less than 10 years and the sum insured under the old policy is the same as under the new policy, the Distributor is entitled to receive the renewal commission only under the new policy.

\*Note: New policy renewal commission rate for the commission plan chosen will be applied to calculate the renewal commission.

Example 2: Sum insured for new policy (Replacement Policy) is lower than for the old policy.

Old Policy 'A'	New Policy 'B'
Term Life = \$100,000	Life Cover = \$80,000

If the old policy has been in-force for less than 10 years, and the sum insured for the new policy is lower than for the old policy, the Distributor is entitled to receive renewal commission only under the new policy.

\*Note: New policy renewal commission rate for the commission plan chosen will be applied to calculate the renewal commission.

Example 3: New policy has an extra benefit as compared to the old policy.

Old Policy 'A'	New Policy 'B'
Term Life = \$100,000	Life Cover = \$80,000 Crisis Recovery = \$10,000

Because there is an extra benefit, i.e. Crisis Recovery, under the new policy, the Distributor will be entitled to receive the full new business commission for Crisis Recovery, regardless of how long the old policy has been in force.

Renewal commission will be payable to the Distributor for Life Cover based on the premium for the decreased Life Cover sum insured (\$80.000).

\*Note: New policy renewal commission rate for the commission plan chosen will be applied to calculate the renewal commission.

Example 4: Sum insured for new policy is greater than for the old policy.

Old Policy 'A'	New Policy 'B'
Term Life = \$300,000	Life Cover = \$400,000

Regardless of how long the old policy has been in force, if there is an increase to the sum insured for the new policy, the Distributor is entitled to receive new business commission on the increased portion of the sum insured (\$100,000) and new policy renewal commission for the commission plan chosen on the original cover (\$300,000).

The request must be submitted within 30 days after the occurrence of a personal event and before that date which is 30 days after the first Policy Anniversary following a business event.

For full terms and conditions please refer to the current Policy Document.

# 4. Billing process

# Policies paid yearly or half-yearly

#### 35 days prior to renewal

- A Notice of Premium Due is mailed to the policy owner.
   (This will only be issued where the client has elected to receive a Notice to pay their premium.)
- A Premium Due Report is available to the adviser via the AIA Australia Adviser Site.

This report shows the adviser which policies have been billed. (An email notification will be issued to the adviser at the same time with a hyperlink to the Adviser Site where the adviser can obtain further details.)

#### On the premium due date

- A Reminder Notice of Premium Due is mailed to the policy owner.
- An Overdue Premium Report is produced for the adviser via the AIA Australia Adviser Site.

This report shows the adviser which policy owners have not paid their premiums.

(An email notification will be issued to the adviser at the same time with a hyperlink to the Adviser Site where the adviser can obtain further details.)

# At the expiration of the 60-day grace period (60 days after the due date)

• The policy is renewed if premiums are paid.

If premiums are not paid, the policy will lapse.

- A Lapse letter will be mailed to the policy owner.
- A Lapse report is available to the adviser via the AIA Australia Adviser Site. This report shows which policies have lapsed. [An email notification will be issued to the adviser at the same

time with a hyperlink to the Adviser Site where the adviser can

obtain further details.)

# Within 90 days after the premium due date

• The policy may be reinstated without the need for any additional health evidence if all the outstanding premiums are paid.

#### Over 90 days after the premium due date

- The policy can only be reinstated upon receipt of an Application for Reinstatement form.
- Receipt of all outstanding premiums.

Reinstatement is subject to underwriting.

**Note:** A policy may only be considered for reinstatement if it has not remained lapsed for longer than 12 months. However, Cashback Flexi polices must be reinstated within 6 months.

# Policies paid via direct debit

# **Renewal Certificate**

A Renewal Certificate is issued for all policies paid via direct debit arrangement 35 days prior to the policy anniversary. The Renewal Certificate informs the policy owner of the new premium and the new sum insured. (An email notification will be issued to the adviser at the same time with a hyperlink to the Adviser Site where the adviser can obtain further details.)

#### **Direct Debit Request (DDR)**

A fully completed DDR is required in order to deduct premiums from a client's account with a financial institution. The DDR is always accompanied by a Service Agreement, which must be retained by the client.

All DDRs must be sent direct to AIA Australia's Policy Services Department.

1. The date a policy owner's account is billed is dependent on when the policy was issued. The debit will occur on or around the billing cycle dates noted below.

Policy Issue Date	Billing Cycle
1st - 7th	28th
8th – 15th	7th
16th – 22nd	15th
23rd – 28th	22nd

- 2. The correct premium must be in the nominated bank account by the billing cycle dates, otherwise the client may incur a dishonour fee.
- 3. When a premium dishonours, the policy owner will receive from AIA Australia, a letter advising them of the dishonour. If the reason for the dishonour is 'Refer to Customer' the policy owner will be advised that we will double debit their account at the same billing cycle in the following month. If the double debit subsequently dishonours the policy will lapse 60 days from the date the policy is paid to.
- 4. A lapse letter is produced and mailed to the policy owner approximately 60 days from the date the policy is paid to.
- 5. If a dishonour occurs for any other reason, such as 'Account Closed', a letter will be sent to the policy owner advising them that billing details have been removed. We will request 2 months premiums and enclose a new DDR for completion. We will also provide the policy owner with the option of altering to a different mode of payment or paying by monthly credit card.
- 6. If we do not receive any feedback or outstanding premiums, the policy will lapse 60 days from the date the policy is paid to.

# Regular credit card deductions

A fully completed Periodical Debit Credit Card Authority (PDCCA) is required in order to deduct premiums from a client's credit card account.

All PDCCAs must be sent direct to AIA Australia's Policy Services Department.

- 1. Refer point 1 under DDR.
- 2. A credit balance, at least equal to the premium, must be in a client's credit card account on the billing cycle dates.
- 3. When the credit card issuer declines the premium debit, a letter will be sent to the policyholder, similar to the dishonour letter. (Refer point 3 under DDR).
- 4. Refer point 4 under DDR.
- 5. Refer point 5 under DDR.
- 6. Refer point 6 under DDR.

# 5. Cancellation from inception

The following is the procedure to enable a policy to be cancelled within the cooling-off period.

- 1. The cooling-off period starts from when the client receives the Policy Document from us or from the end of the 5th day after the day on which we sent the Policy Document to your client, whichever is the earlier to occur.
- 2. A request to cancel the policy within the cooling-off period can be made by letter.
- 3. A cancellation request may be sent direct to Head Office by the policy owner.
- 4. For superannuation policies issued under the AIA Superannuation Fund where the Trustee is The Trust Company, if your client cancels the policy during the cooling-off period, the premium already paid is considered a superannuation contribution and is not refundable because the money is typically preserved under superannuation law. Preserved money can be rolled into another eligible superannuation fund. (For further information, please refer to the section under Superannuation.)

# 6. Lost or destroyed policy document

If a policy document has been lost or destroyed, the following procedure will apply.

- 1. The policy owner must complete a Lost Policy Declaration.
- 2. An amount of \$100.00 is required from the policy owner to cover advertising and administration expenses. This may be waived at the discretion of AIA Australia.
- 3. AIA Australia must give notice of its intention to issue a replacement policy document at least 10 days prior, in a newspaper circulating in the district in which AIA Australia considers the original policy document to have been lost or destroyed.
- 4. AIA Australia will issue a replacement policy document, which must:
  - a) Be a copy of the original
  - b) Contain a copy of every endorsement
  - c) State the reason why a replacement document was issued.
- 5. After a replacement policy document has been issued, AIA Australia will enter the following in its Lost Policy Register:
  - a) The fact that a replacement policy document has been issued
  - b) The reason for the issue of the replacement policy document.

# 7. Change of ownership

To effect a change in ownership of a policy, the current policy owner and the new policy owner must complete the **MEMORANDUM of TRANSFER** (MOT) attached to the policy document.

If the client is unable to locate their original Policy Document the 'Lost or Destroyed Policy Document procedure' must first apply.

In all instances, when changing ownership between Super and Ordinary policies or vice versa, a new policy will need to be issued and therefore a new application is required and a completed MOT will not suffice.

Please refer to the below table to see if the MOT can be completed:

Ordinary to Self Managed Super Fund	New application
Ordinary to The Trust Company	New application
Self Managed Super Fund to Ordinary	New application
The Trust Company to Ordinary	New application
The Trust Company to Self Managed Super Fund	Memorandum of Transfer
Self Managed Super Fund to The Trust Company	New application
Ordinary to Ordinary	Memorandum of Transfer
Self Managed Super Fund to Self Managed Super Fund	Memorandum of Transfer

Policy Owners are now required to cancel their existing policy and replace it under the most current products. If the policy being replaced is a Priority Protection product and if there is no further increase in risk to the policy, no underwriting is required.

Please refer to the following example.

**DATE OF TRANSFER** – Must be dated by the current policy owner.

**SIGNATURE OF TRANSFEROR** – Must be signed by the current policy owner. If the policy is jointly owned, all owners must sign.

**WITNESS** – This section may be signed by any person with legal capacity (i.e. over the age of 18 and of sound mind) who has seen the policy owner/s sign the Memorandum of Transfer.

**TRANSFEREE'S FULL NAME** – The name of the new policy owner must be entered in this section. If the policy is to be owned by more than one person, all names must be entered.

**TRANSFEREE'S ADDRESS** – The address of the new owner/s must be entered in this section.

**TRANSFEREE'S OCCUPATION** – The occupation of the new owner/s must be entered in this section.

**SIGNATURE OF TRANSFEREE** – Must be signed by the new policy owner/s.

**WITNESS** – This section may be signed by any person with legal capacity (i.e. over the age of 18 and of sound mind) who has seen the policy owner/s sign the Memorandum of Transfer.

**DATE OF REGISTRATION OF TRANSFER BY COMPANY** – After the transfer has been completed to this point, the policy document, together with the Memorandum of Transfer, must be forwarded to AIA Australia Policy Services Department.

SIGNATURE OF PRINCIPAL OFFICER OF COMPANY OR AUTHORISED PERSON – Must be completed by AIA Australia.

It is important to note that the assignment is invalid unless the last two sections above are completed by AIA Australia. After completion, AIA Australia will record details in its assignment register.

**OWNERSHIP OF A SUPERANNUATION POLICY** – Ownership can only be transferred from the trustee of one eligible superannuation fund to another.

**OWNERSHIP OF THE SUPERANNUATION PLUS BENEFITS** – Ownership of the benefits cannot be transferred.

# 8. Premium payments

Premium payments may be made

- Monthly by Direct Debit Request (DDR).
- Monthly by credit card deductions (PDCCA).
- Half-yearly by cheque, single credit card and periodical direct debit and credit card deductions.
- Yearly by cheque, single credit card and periodical direct debit and credit card deductions.

Note: For direct debit and credit card payments, both single and regular deductions, Visa card, MasterCard, Diners Club and American Express may be used.

Yearly and half-yearly premiums can also be paid by BPAY and POSTbillpay.

# 9. Change of address

A policy owner's change of address must be notified to us. This can be done either over the phone or in writing, as soon as you or your client is aware of the change. The notification can be from the policy owner, Power of Attorney, servicing adviser or a representative from the adviser's office.

# 10. Alterations within the cooling-off period

Any alterations made to policies within the cooling-off period must be accompanied by the original Policy Document and forwarded to the Policy Services Department and not the New Business Department.

# 11. Forms

Forms required for policy alterations may be obtained from the AIA Australia Adviser Site: https://aia.com.au/AdviserSite under the heading Procedures & Forms/Policy Services.

# 12. Superannuation policies under **AIA Superannuation Fund**

In this section we have listed the exceptions in processing Policy Alterations specific to Superannuation policies.

For other details please refer to the relevant sections within the quide.

The Trustee of the AIA Superannuation Fund is The Trust Company (Superannuatoin) Limited, located at Suite 710/Level 7, 530 Little Collins Street, Melbourne Victoria 3000. Postal address is GPO Box 3001. Melbourne Victoria 3001.

For details of the Administrator for the AIA Superannuation Fund, please call 1800 333 613.

The Administrator of the AIA Superannuation Fund is responsible in issuing to the member the following:

- Section 290-170 after each financial year
- Member Annual Statement for the period ending 30th November each year
- Annual Report to Members
- Welcome letter for any new member who joins the Superannuation Fund
- Ad-hoc communication.

To address member related enquiries relating to the above points please call 1800 333 613 for the contact details of the Administrator for the AIA Superannuation Fund.

# **Cancellation from Inception**

The following is the procedure to enable a policy to be cancelled within the cooling-off period.

The cooling-off period starts from when your client receives the Policy Document or from the end of the 5th day after the day on which we sent the Policy Document to your client, whichever is the earlier to occur.

A request to cancel the policy during the cooling-off period can either be by letter, fax or email or in any other manner permitted by law.

To proceed with the cancellation we require the member to return the original policy document.

If your client cancels the policy during the cooling-off period, all premiums already paid will be treated as a superannuation contribution and will not be refundable because the money is typically preserved under superannuation law. Preserved money can be rolled into another complying superannuation fund.

#### Reinstatement

The requirements to reinstatement a policy within the AIA Superannuation Fund:

- Reinstatement form
- a Member Declaration form signed and witnessed with a current date
- a current Direct Debit Request or Credit Card Authority form
- all outstanding premiums.

# Payment of premiums as Eligible Termination Payment

ETPs can be accepted as insurance premiums into the Fund provided the ETP is equal to or less than the premium amount. Where an ETP amount is less than the premium due, it is expected that the balance of premium is paid in conjunction with the ETP. Where an ETP payment is above the premium amount, the total ETP will be returned to the issuing superannuation fund.

#### Tax File Number

A valid Tax File Number must be provided at the time of application when joining the AIA Superannuation Fund, otherwise the policy will be cancelled and all contributions received returned.

#### Co-contribution

The Fund does not accept superannuation co-contribution. If the member of the Fund (life insured) is eligible for co-contribution. the member will need to nominate another superannuation fund or retirement savings account to receive any superannuation entitlement the Australian Taxation Office is holding for the member

#### Change of ownership

To effect a change in ownership from the Trustee of the AIA Superannuation Fund to a trustee of a Self Managed Superannuation Fund, the new policy owner must complete the MEMORANDUM of TRANSFER ('MOT') attached to the policy

Effective date of transfer will generally be immediately after both trustees sign the MOT.

# Alterations within the cooling-off period

Any alterations made to policies within the cooling-off period of 28 days must be forwarded to the Policy Services Department. Any refund due as a result of the alteration will be refunded as an ETP and paid into a compliant superannuation fund nominated by the member.

# **Forms**

Forms for Nomination of Beneficiary AIA Superannuation Fund required for policy alterations may be obtained from the AIA Australia Adviser Site: https://aia.com.au/AdviserSite under the heading Procedures & Forms/Policy Services.

# 2. Remuneration (commission payments)

Remuneration is generated in accordance with the Distribution Agreement, which governs the relationship between you (or your dealer group) and AIA Australia. Please refer to your Distribution Agreement or to your dealer group for further details regarding levels of commission.

# 3. What is payable as remuneration?

All remuneration calculations are based on the premium amounts payable by the applicant (e.g. Life Cover, Income Protection, any health or pastimes loadings). AIA Australia does not pay remuneration on the policy fee, stamp duty, frequency/modal loadings or other statutory charges and taxes.

GST\* is added to the remuneration payment and will be shown separately on the commission statement.

For any Policies submitted by the Distributor or its Distribution Channels which are to insure a family member of the Distributor or its Representatives, only the Level Commission rates are available for calculating the Remuneration payable to the Distributor.

<sup>\*</sup>Goods and Services Tax is not determined by AIA Australia and may vary in future at the discretion of the ATO.

# Clawback of Remuneration

Any Remuneration payments made by Us to the Distributor in respect of a policy which is canceled or lapses during the first 12 months of its currency will be clawed back.

This Products and Remuneration Schedule is subject to the terms and conditions of the Distribution Agreement between AIA Australia Limited and the relevant AFSL holder.

<sup>(</sup>ii) For any Policies submitted by the Distributor or its Distribution Channels which are to insure a family member of the Distributor or its Representatives, only the Level Commission rates are available for calculating the Remuneration payable to the Distributor.

<sup>(</sup>iii) If the Policy is a Replacement Policy, then only Replacement Policy commission will be payable (see Replacement Policy FAQ overleaf).

#### **Replacement Policy FAQ**

### 1. What is a Replacement Policy?

A Replacement Policy is issued when the policyholder decides to cancel or terminate an existing AIA policy that has been in-force for less than 10 years and to replace it with a new AIA policy that provides a similar level of cover

The issue date of the Replacement Policy must be earlier than the cancelation or termination date of the policy being replaced (i.e. 'old policy').

(Please refer to Item 4 for examples.)

#### 2. Who decides whether it is a Replacement Policy?

AIA Australia's Underwriting Department will decide if a particular policy is a 'Replacement Policy'. The Adviser Remuneration Team ('ART') will be notified of this decision and commissions will be adjusted accordingly.

#### 3. How do commission rules apply to a Replacement Policy?

If the old policy has been in-force for less than 12 months, any new business commission paid on the old policy will be clawed back and new business commission will be paid on the Replacement Policy.

the old policy has been in-force for at least 12 months the commission payable on the Replacement Policy will be as

	New Business Commission	Renewal Commission
Old policy in-force ≥ 10 years	1	Normal renewal commission rules will apply from year 2 onwards
Old policy in-force < 10 years	X	Only renewal commission will be paid

New business commission, where payable, will be paid on the premium for the new policy

The new business commission rate applicable will be the Year 1 rate for the commission type (i.e. Upfront, Hybrid or Level) and the Premium Discount level chosen (refer Table 1 overleaf).

The renewal commission rate applicable will generally be the Year 2+ rate for the commission type (i.e. Upfront, Hybrid or Level) and the Premium Discount level chosen (refer Table 1 overleaf). If the +5% Premium Discount level is chosen the renewal commission rate will be the Year 3+ rate for the commission type (i.e. Upfront, Hybrid or Level) chosen (refer

If the sum insured of the Replacement Policy is equal to or lower than the sum insured of the old policy, only renewal commission will be payable for the new policy.

#### 4. Examples - Calculating Replacement Policy Commission

In the following four examples it has been assumed that the old policy being replaced has been in-force for at least 12 months. Please note, 'Term Life' is now referred to as 'Life Cover'

Example 1: Sum insured for new policy (Replacement Policy) and old policy are exactly the same.

Old Policy 'A'	New Policy 'B'
Term Life = \$100,000	Life Cover = \$100,000

If the old policy has been in-force for less than 10 years and the sum insured under the old policy is the same as under the new policy, the Distributor is entitled to receive the renewal commission only under the new policy.

\*Note: New policy renewal commission rate for the commission plan chosen will be applied to calculate the renewal commission.

Example 2: Sum insured for new policy (Replacement Policy) is lower than for the old policy.

Old Policy 'A'	New Policy 'B'
Term Life = \$100,000	Life Cover = \$80,000

If the old policy has been in-force for less than 10 years, and the sum insured for the new policy is lower than for the old policy, the Distributor is entitled to receive renewal commission only under the new policy.

\*Note: New policy renewal commission rate for the commission plan chosen will be applied to calculate the renewal commission

Example 3: New policy has an extra benefit as compared to the

Old Policy 'A'	New Policy 'B'
Term Life = \$100,000	Life Cover = \$80,000
	Crisis Recovery = \$10,000

Because there is an extra benefit, i.e. Crisis Recovery, under the new policy, the Distributor will be entitled to receive the full new business commission for Crisis Recovery, regardless of how long the old policy has been in force.

Renewal commission will be payable to the Distributor for Life Cover based on the premium for the decreased Life Cover sum

\*Note: New policy renewal commission rate for the commission plan chosen will be applied to calculate the renewal commission

Example 4: Sum insured for new policy is greater than for the old policy.

Old Policy 'A'	New Policy 'B'
Term Life = \$300,000	Life Cover = \$400,000

Regardless of how long the old policy has been in force, if there is an increase to the sum insured for the new policy, the Distributor is entitled to receive new business commission on the increased portion of the sum insured (\$100,000) and new policy renewal commission for the commission plan chosen on the original cover (\$300,000).

# 5. Types of remuneration

#### Upfront, Hybrid and Level remuneration

AIA Australia will pay remuneration based on the yearly premium at the agreed percentage, only after acceptance of the application by the New Business Department and, receipt of the first premium by AIA Australia.

Please note that Advance Remuneration is subject to a 12 month remuneration clawback period should the policy lapse or cancel during that time.

\* AIA Australia may enter into an advance remuneration arrangement normally at the time the Distribution Agreement is entered into but is not obliged to do so and may decline to offer such an arrangement for any reason whatsoever.

### Frequency of payment from AIA Australia

Remuneration is payable in accordance with the Distribution Agreement and may vary depending on your or your Dealership's payment preferences. AIA Australia will issue New Business remuneration on completion\* of an application from our New Business and Underwriting Department.†

Once the policy has been completed our systems will be activated to generate commission for the policy and this will then be forwarded to the nominated bank account that has been supplied to AIA Australia by the holder of the distribution agreement.

- \* Completion is defined as:
- Application being accepted by the New Business/Underwriting Department,
- 2. AIA Australia has received the First Premium Payment; and
- 3. Policy Documents have been issued.
- <sup>†</sup>AIA Australia reserves the right to withhold or delay any remuneration should there be delay in completion, any failure or discrepancy in the information requirements to complete the application or other similar grounds to do so.

## Frequency of revenue statements

Revenue statements will be issued mid month and at end of month in electronic format.

Continuous updates of your revenue statements will be available on the Adviser Site: https://aia.com.au/AdviserSite.

Please call 1800 033 490 (option 4) if you have not yet been provided with access and password details to the website.

### Questions in relation to remuneration

Should you wish to query any commission payments, raise any other remuneration issues or need further information, please contact our Sales Support Team on 1800 033 490 (option 4) or contact your dealer group.

### **Vitality Activation Payment**

An Activation Payment of \$50.00 may be paid to you when Vitality is added onto a Priority Protection policy at point of sale. This is a once-off payment only. The Activation Payment will not be paid when Vitality is added onto an in-force Priority Protection policy.

# **Continuation Options**

A unique offering between our Group Business Partners and AIA Australia allows a fund member who leaves their employment and or ceases cover with AIA Australia GIS, and, meets the eligibility criteria, to apply for an AIA Australia retail 'Priority Protection' life insurance policy, which is a known as a Continuation Option.

Please contact our Group Insurances Services Administration team on 1800 238 728 or at continuationoption.aus@aia.com

Our Administration team will complete all eligibility checks on your behalf and provide you with the following:

- A fully completed Validation Form which covers entitlement and expiry date of the offer
- A 'GIS Priority Protection' short form application for completion
- A Priority Protection Quotation based on the benefits and level of cover under the policy

Once the application is completed in full and continues to fall within the eligibility period, it can be returned to AIA Australia where it will be processed as a retail policy.

The eligibility criteria applies on all Continuation Options based on the Product offering unique to each Business Partner.
